Chazanga's Fields on Fire!

Dear Friends,

Greetings in Jesus' Name!

Chazanga is a poor township about 30 minutes outside Lusaka, the capital city of Zambia. Crime and disease are rife, and a general air of hopelessness prevails over the place. Most of the homes there do not have running water, electricity, or sanitation facilities. As we traveled to and from Chazanga, we saw many

prostitutes lining the main road trying to get the attention of the people traveling from Lusaka. It was sad to see this. I know that only Jesus can change peoples' hearts, and only He can give life, light, and hope to people living in seemingly hopeless places such as Chazanga.

A brother from our church in Lancaster, as well as Pastor Mitch Smith and a team from

his church in State College, Pennsylvania, joined me in Chazanga where our team, together with the local pastors and their churches, were well prepared for the crusade. The local

Christians were desperate for revival and for God to turn their town around. It was, therefore, with great expectation that the crusade finally began.

The crowd was small the first night, with a few thousand in attendance, but grew as testimonies of God's healing power spread throughout the town. On the sixth and final night, the field was totally full of people eager to hear the Gospel.

Large multitudes of people, gripped with conviction as the Gospel penetrated their hearts, gave their lives to Jesus. There were scenes of unspeakable joy as people received the Grace of God through Jesus Christ, and felt their burdens being lifted away.

Night after night, we saw the Lord confirm His word with signs, wonders, and miracles. Lame

people got up and walked, blind eyes were opened, and the deaf began to hear. One man with full-blown AIDS testified that all the outward symptoms of the disease had disappeared from his body. Large tumors disappeared. Drunks and alcoholics who came to the crusade sobered up immediately and were delivered. The demon-possessed were set free.

Here are a few of the many wonderful healing testimonies we received:

Mary Shenvé, 52, was demon-possessed, deaf in both ears, and had a large tumor. Jesus set her free from the demons and healed her. The tumor disappeared and her ears were opened!

Esther Zulu, 31, could not walk. Jesus healed her and she can now walk!

Mary Ngoma, 14, was

Sylvester Chanda, 14, had great difficulties speaking and stammered since early childhood. Jesus healed him totally, and he can now speak clearly!

Roy Kalengesha, 4, could not walk and was brought to the crusade by his sister. Jesus healed him.

Medirina Nasirere, 22, could not walk. Jesus healed her, and she can now walk!

Joseph Chisala, 31, was an alcoholic since the age of 15. Jesus delivered him.

Mercy Namfukwe, 25,

had a tumor on one side of her face which made her eye blind for two years. Jesus healed her; the tumor disappeared and her sight was restored.

Panso Mwale, 9, was deaf in both ears since birth. Jesus healed him, and he can now hear perfectly!

Janet Zulu, 20, was paralyzed in one leg and could not walk. Jesus healed her, and she can now walk!

Peter Kayunga, 52, had been paralyzed for eight years and could not walk. Jesus healed him, and he walked and ran!

On the last night of the crusade, thousands received the Baptism with the Holy Ghost

and fire. It was an awesome scene to behold, as the crowd raised their voices to heaven and spoke with other tongues. We give all the glory, honor, and praise to our Blessed Lord, for all that He has done. He alone is worthy!

Thank you dear partners for standing with us in this!

Right now we stand in a place of acute need in our ministry. In addition to our tractor-trailer, we have 3 pick-up trucks for our crusade team in Africa. They have each gone over 400,000 kilometers, which is over 250,000 miles, on unspeakably bad African roads. It is costing a lot to keep them roadworthy and we need 3 new vehicles, each costing around \$40,000, to replace them.

Perhaps you as an individual, or your business, or church would consider sponsoring part or even all of a vehicle. Please act now, as we are in dire need of these vehicles!

In addition to this, I have been shocked

to see how prices in Africa have skyrocketed as the US Dollar has gone down in value. Since we will never cut down on our crusades, we need

your support more than ever before. I have been preaching intensively in Africa for 18 years, and we are needed there more than ever before.

Why am I so passionate about the Gospel? Because too much is at stake! We work in areas where large percentages of the population are stricken by AIDS. Can you imagine places where half the people are HIV positive? I have even been to areas where the HIV population is as high as 70%!

know that God has not given up, and Jesus never fails!

The bottom line is this: People are dying and they need Jesus!

Please help us. We have the Gospel. God has called us and anointed us, and we want to reach these precious people with the love of God. Jesus loves them and they are precious to God!

In Christ Jesus,

One cannot even imagine the misery, the hopelessness, and sense of despair in the lives of the people living in these areas. These are places where government authorities and aid agencies have given up. But, you and I

Will you help us replace our vehicles?

Please take a moment and ask the Holy Spirit how He would lead you to connect with what God is doing through Dynamis World Ministries. Consider a one-time gift or a monthly commitment over the next year to help us replace our current vehicles in Africa. This will enable us to refocus our time, energy, and finances, that have gone into the repair and upkeep of these old trucks, back into reaching the lost with the Gospel of Jesus Christ. Below is a breakdown of the types of commitments we need to reach our goal of \$120,000, which will provide us with 3 new vehicles.

Commitments	One-time Gift		Monthly <i>(For 1 year)</i>	Daily Breakdown
5	\$6,000.00	<i>or</i>	\$500.00	\$16.44
10	\$3,000.00	<i>or</i>	\$250.00	\$8.22
25	\$1,200.00	<i>or</i>	\$100.00	\$3.29
25	\$600.00	<i>or</i>	\$50.00	\$1.64
30	\$300.00	<i>or</i>	\$25.00	\$0.82
