The Power of God Shakes Norton, Zimbabwe

Dear Friends,

Greetings in the name of the Lord Jesus!

Norton, Zimbabwe is a town located on the main Harare-Bulawayo road, about 40 miles Southwest of Harare, which is where our Africa headquarters are located. It is situated in the middle of a major agricultural region. Norton is an old town built and named by the British when they ruled Zimbabwe. It is interesting to note that Norton has never been touched by a Gospel Crusade. It is for this reason that we decided to hold a crusade to reach the people of this community. Our Africa team began to work with the local pastors a month before the crusade; running our pre-

crusade Mobile Bible School to teach and train the local churches.

The crusade finally started amid great excitement in the town. It was winter in Zimbabwe, and the weather was quite cold. Many people did not have adequate warm clothing. This, however, did not deter them from coming to hear the Gospel. They braved the elements and came by the multitudes; in fact, by the end of the crusade we reckoned that everyone in town must have come to attend the crusade at least once. On the last night, at least two-thirds of the total population of Norton attended the service.

The Word of God went out with power, and every

night vast numbers of people gave their lives to the Lord Jesus. The Lord poured out His grace and confirmed His Word with signs, wonders, and miracles.

Many crippled and paralyzed people threw away their crutches and began to walk and run. Others were carried to the crusade. When the Lord healed them, they began to jump and run. Blind eyes were opened, tumors disappeared, large numbers of deaf ears were opened, and the mute began to speak!

Here are a few of the many healing testimonies that we recorded:

Tinashe Mandaza, 32, was born totally mute. Throughout her whole life she was unable to speak. Jesus healed her, and she can now talk!

Betty Manzira, 38, had one leg which was severely twisted and deformed since birth. She could only walk

short distances with great difficulty. She was forced to lean to one side and walked with a very severe limp. Jesus healed her. Her leg was totally straightened, and she began to walk and run!

Charity Butau, 19, had a severe ongoing headache for years, that left her mentally insane. In an instant Jesus healed her, the headache disappeared, and her mind was restored!

Tafadzixia Mapfumo, 15, was totally deaf in both ears. Jesus healed him, and he can now hear perfectly!

Ranganai Malambo, 17, was practically blind since birth. All he could see was dark shadows. Jesus healed him, and he can now see clearly!

Clara Chiyangwa, 16, was deaf in one ear. Jesus healed her, and she can now hear!

Martin Dhori, 27, was partially blind for 16 years. Jesus healed him, and he can see!

Ngonidzashe Magawa, 27, was deaf in one ear since

birth. Jesus healed him, and he can now hear!

On the last night of the crusade, the power of God fell upon the multitude. Thousands of people received the Baptism, with the Holy Ghost and with Fire. The praises of God, from thousands of voices, rose into the African skies. We rejoiced greatly at the wonderful things that the Lord had done. The crusade ended in a note of victory.

A few months ago a minister friend of mine told me, "It is best to slow down in your kind of ministry when one turns 50..." I pondered this for sometime. I am now 51, and I realize that although I am healthy and fit by God's Grace, my body is not what it used to be when I was an army officer and an athlete. However, at the same time, I realize that I cannot slow down. We are in very special times. I have been preaching the Gospel since 1976, and I have been doing overseas missions for

the past 22 years. We have walked in God's power for many years. The first time that I ever saw a lame person get up and walk in one of our meetings was in 1981. Yet, it is right now that we are seeing and experiencing a dimension of God's presence and miracle working power in our crusades, that we have never seen before.

What we are seeing God do is way beyond our wildest imaginations and dreams. Jesus is being glorified in places where the people, prior to our crusades, were lost in utter darkness. Entire cities are being shaken by God's power, huge multitudes are coming to Jesus, and we are seeing God perform the most amazing miracles. As our Savior, himself, said in Matthew 11:5, "The blind receive their sight, and the lame walk, the lepers are cleansed, and the deaf hear, the dead are raised up, and the poor have the gospel preached to them."

Several years ago, as I pondered upon my own life and how the years pass so quickly, I asked the Lord that our lives may be fruitful for His Glory. I thought of how Jesus saved me out of Islam at a time when I was suicidal and had lost all will to live. I began preaching God's Word and spent almost a year in prison for the sake of the Gospel. Then, the amazing story of how the Lord led me to Sweden.

I met Britta in the church we were both attending in Sweden; we were soon married. We received the Baptism of the Holy Spirit, and we were privileged to sit under the ministry of Dad Hagin at RHEMA Bible Training Center. God blessed us with three wonderful children, and it is now almost 12 years since we moved to America.

It has been a long journey, and the growth of our ministry has been slow but solid and steady. I prefer it to be that way. I want the ministry to grow at the same pace, as the capacity of our hearts, to receive and contain the blessings of God. I never wanted our ministry to shoot up like a rocket; to be in the limelight for a few brief moments, and then fall down in smoke and ashes; soon forgotten by all. When a man's ministry is bigger than the capacity

of his heart, pride can easily creep in, and he can fall just as fast as he rises. It ultimately destroys him. I do not want to be a man known for pride, arrogance, or the love of money. I want people to remember me as "a man who loved Jesus and loved people."

As John the Baptist said in John 3:27, "A man can receive nothing, except it be given him from heaven."

Our ministry and our lives are built on what God has given us, not on what we have been able to do on our own. That is why we have never used any aggressive self-promotion or fundraising activities to promote ourselves or our ministry. We inform our partners through our monthly newsletter about our upcoming projects, and we trust that the Lord will lead them as to how He desires them to participate. We do

blessed it is when Jesus is everything and we are nothing!

I have crossed the halfway mark of my life, and have a good number of years to go. I can testify that I am still strong on the inside, because of the Risen Christ who dwells in my heart. The Holy Ghost

and Fire with which I was baptized still burns within me. Those old Pentecostal flames still burn as fiercely and as unquenchable as ever. Look into my eyes and my heart, and you will see it! My Lord Jesus is alive. He has vanquished Satan, and He sits upon the throne of Glory. He is still the same today. He still saves sinners, heals the sick, and demons still tremble at the mention of His name!

For Evangelists, like me, our best days are yet to come. This is because of the Gospel that we preach. Years ago we used to sing an old song, "It's the Holy Ghost and Fire that is keeping me alive." Those words still hold true! The Gospel message we preach is the mightiest power factor in the universe. The Message is greater than the Messenger. We who are Messengers stand tall because of the Message. It is because the Message we preach is the power of God, unto salvation, to all who hear and believe. The Gospel

Message we preach also gives us life, keeps us alive and strong, heals our bodies, puts fire in our bones, carries us forward, and gives us victory. We shall preach it until the last shackle is broken, and the last captive is set free! Then we shall cast away the surly bonds of this earth, and rise to be forever with Jesus!

What a wonderful Savior we serve!

A few years ago, I came across a prayer that David prayed in Psalm 71:18. I made it my own, and today I look to the future with this prayer in my heart and upon my lips, "Now also when I am old and gray-headed, O God, forsake me not; until I have shewed thy strength unto this generation, and thy power to every one that is to come."

I want to thank you for your love, your prayers, your financial support of our work, and for standing with us in so many ways. It is because you join your heart and your faith with us, and you give of your financial resources, that we can take the Gospel to those who have never heard it before. To God be all the Glory, and may you be blessed in every way!

not seek out churches and ask them to support us. Those individuals and churches that do support us are those who feel that the Lord has put it in their hearts to stand with us.

We are thankful to the Lord that He has joined our lives together. The Lord

has blessed us with a few close friends who have clearly told us, "If you ever need anything for the ministry, please let us know." These are the only people with whom we share about certain special needs that arise in the ministry from

time to time. At the same time, their love and friendship are far more important to us than their finances. So, by the grace of God, we are careful not to abuse our friendship by "using" them.

We want our lives to be for the Glory of God!

Time passes, we age, our children grow up, and a new generation of young preachers rise up to preach the Gospel. I look at them and see what I once used to be. I look at the men and women who have influenced my life. Some have gone on to Glory, and others are very old. When I look at my own life, I remember the early days when I was fresh out of RHEMA. I thought I knew everything; I had all the answers. Today, I realize how little I know. It seems to me that the closer we get to Jesus, the more aware we become of our own nothingness. O how
