Dear Friends,

Greetings in the name of the Lord Jesus!

The city of Victoria Falls is situated by the famous Victoria Falls in the western Zimbabwe. Across the mighty Zambezi river, of 'Tarzan' fame, lies the city of Livingstone, Zambia.

Vic Falls, as Victoria Falls is commonly known, is one of the 7 Natural Wonders of the World, and is a major attraction for tourists from all over the globe. They come to see the falls, visit the huge wildlife reserves, or relax

in one of the many hotels or resorts where various wild animals freely roam the grounds.

We held a crusade in Vic Falls many years ago, and felt that the town was ready for another. The crusade was held in the large township of Chinotimba, where most of the population lives.

Zimbabwe's economy is currently very bad. Most foreigners avoid Zimbabwe due to the rumors of unrest in the country. Adding to the already difficult situation for the local populace, the gov-

ernment implemented a "slum clearance program." This resulted in the mass demolition of many people's dwellings by the authorities. As a result, many of the townspeople were homeless and had nowhere to go. The desperation of the local people opened their hearts to receive the Gospel. So much, that on the last night local observers estimated that the entire population was present at the crusade!

I was glad to see the large crowd, but in my heart I felt the sorrow that I so often feel when I am in Africa. One night, I asked

We are so blessed to be able to live in a rich country where there is plenty of everything. Even those on welfare in our country have more money than

God healed this crippled woman; she can now walk!

Go Ye into all the World and Preach the

approximately 90% of the world's population.

We are blessed that we can take money from our country to preach to those who have never heard the Gospel. At the same time, I often wonder, "Why don't we do much more?" or "Why is it that so little of the resources that God

has entrusted to Christians goes to save sinners?"

I wish that the cause of the Gospel of Jesus would electrify our hearts and souls and become the foremost priority of the church; that the whole church would rise up and say with one voice, "Let

us give priority to do what Jesus told us to do; preach the Gospel, heal the sick, cast out devils, and feed the poor...."

After all, the bottom line is this, at the very end when all the things of this world are gone there is only one thing that will remain, the souls who we

win for Jesus. This is Christianity at its simplest and most passionate.

If there is a will and a heart, I know that it can be done. God would put everything He has behind it, because this is the very heartbeat of God the Father, Himself.

Anyway, back to the report about the crusade at Victoria Falls.....

The crusade went very well from the beginning. Thousands of people came to hear the Gospel the first night and the crowds grew nightly. By the last meeting, as I mentioned earlier, it was reported that the entire populace attended.

How You Can Connect With Us To Bring In The Harvest:

Giving:

Crusades cost money. We have an average cost of \$22,000 per crusade. This includes everything; allowances, expenses for our Africa team, and my travel costs. Imagine, for \$22,000 we can have approximately 150,000 people respond to the altar calls in a single crusade!

If God has given you the means, you could sponsor an entire crusade! You may desire to connect by supporting the ministry on a monthly basis, as many already do. Please pray about helping us with an urgent and major need, the purchase of two vehicles for Africa at the cost of \$32,000 each. Our old vehicles have gone about 350,000 miles each, and need to be replaced.

Every contribution counts! We are soul winners, and that is where your money goes!

Intercession:

Intercession is a very important part of evangelism. If you are not called to go, you can give and/or pray for those who are able to go! Intercession is a way you can join and release your faith with ours. If you desire to intercede for Dynamis World Ministries and would like to receive our monthly prayer letter, let us know by contacting our U.S. office. Please see the back of the newsletter for contact information.

Totally deaf woman can now hear!

Multitudes of people received the Lord Jesus as Lord and Savior, and God confirmed His Word with many signs, wonders, and miracles.

On the last night, we prayed for people to be baptized with the Holy Ghost. The Spirit of God fell upon the crowd with power, and a large multitude was Baptized with the Holy Ghost and with Fire. The praises of God filled the air, and the people rejoiced!

This was a spiritual breakthrough for the people of Victoria Falls. We came to a town filled with sorrow and despair, and we left a place where hope and faith reigned. Although their outward circumstances were the same, the people had seen beyond doubt that Jesus is alive and that God truly loved them and cared for them. Now they have hope and faith for the future.

Never underestimate the power of faith. Faith brings all kinds of miracles; causing people to rise up over the ashes of despair and bring victory to them. Our team has received wonderful reports of what God has done in Vic Falls since the crusade. All Glory to Jesus!

We see God doing this everywhere we go, and we see the long-term fruits; churches multiplying, crime rates dropping, and grateful pastors, mayors, and police officers. We go to the townships where the people live and reach them there. Every crusade is properly planned and executed. We have a month long intensive Mobile Bible School, which is a training period for the local churches and leaders, prior to each crusade. Once the crusade has ended, the local churches
