## A Great Harvest in Mufakose, Zimbabwe

Dear friends,

**G**reetings in the name of the Lord Jesus!

*"Behold, I will do a new thing; now it shall **spring forth**; shall ye not know it? I will even make a way in the wilderness, and rivers in the desert." Isaiah 43:19*

The winds of revival are blowing through Zimbabwe. After 15 years of persistently preaching the Gospel, we are seeing fruit come forth in a mighty way.

All over the nation, people are coming to Jesus. From the top officials in government to ordinary people on the streets, multitudes are turning to the Savior. Zimbabwe, which is boycotted by Europe and the United States, is being visited by the Holy Spirit!

We are blessed to be a part of what God is doing in this nation today. In this

newsletter, I will be sharing with you about our recent crusade held in Mufakose, a township situated outside Zimbabwe's capital city of Harare.

As always, the crusade was well prepared by our Africa team, led by Pastor Mavondo. There was a great deal of enthusiasm for the crusade among the pastors and the believers in the local churches. Many of them were with us in 1995 when we held a crusade in Mufakose.

We were delighted to learn that the fruit from that crusade is still evident. We met a successful pastor in the local Ministers' Fraternal who received Jesus at that crusade!

There was a huge crowd present at

the first service, and the crusade commenced with an explosion of God's miracle working power.

The multitude nearly filled the soccer field, where we were meeting. The people were eager and ready to receive what God had for them, and the Word of God went forth with great power.

That first night, countless thousands surrendered to Jesus and received Him as their Lord and Savior. Just as God promised, He confirmed His Word with signs, wonders, and miracles which set the tone for the remainder of the week.

That night, many people were healed from different diseases. Several deaf people received their hearing, a blind girl received her sight, and three crippled people got up and walked.

Among the crippled who were healed, there was a former soldier and personal chauffeur for the President of Zimbabwe. He was severely wounded in a battle in 1980.

There were 11 others with him that did not survive. He was shot several times and left for dead. Someone saw his seemingly lifeless body twitch and realized that he was still alive.

# Go Ye into all the World and Preach the

He was in a coma for quite awhile, and spent two years in intensive care, barely clinging to life. After two and a half years in the hospital, he was finally released, crippled, and left with no feeling or sensation in his legs.

This man was well known in town because of his status as a disabled war hero, as well as his drinking binges in the local bars. Someone brought him to the crusade that night where Jesus touched him and healed him with His mighty power.

As he stood up, he began walking, and testified of what the Lord had done for him, the multitude became ecstatic with joy. His body was shaking as he testified, "The power of God is coursing through my bones and spine like electricity!"

His body was shaking, cracking, and coming together as God was making him whole!

Pamela Razemba, 24, had a tumor the size of a soccer ball in her stomach that simply disappeared during the mass prayer for the sick. She could hardly speak, and just wept with thanksgiving to our Savior.

A crippled lady stood shaking and weeping as she testified how her legs, crippled and without sensation, suddenly came to life and now she can walk.

Another lady had a massive growth in her leg, and the doctors told her it was cancer. Her leg was swollen with a huge open sore on one side from which blood and foul smelling puss flowed. Jesus touched her, and within a few short seconds her leg went down to normal size, and the open sore dried up and closed!

This is the Jesus of the Gospels! What a mighty God we serve!

*"When the evening was come, they brought unto him many that were possessed with devils: and he cast out the spirits with his word, and healed all*

*that were sick: That it might be fulfilled which was spoken by Esaias the prophet, saying, Himself took our infirmities, and bare our sicknesses."*  
Matthew 8:16-17

As news of the mighty works of God spread, multitudes came out to hear the Gospel. Each night, we saw these multitudes receive the Lord Jesus, followed by God confirming His Word with miracles, healings, and deliverance.

Our primary message is that Jesus Christ is Savior and Lord. We also pro-

claim Jesus as Healer and Baptizer with the Holy Ghost and with Fire. Physical miracles are secondary to salvation, they touch only this earthly life and salvation is for eternity. But, the truth is that Jesus bore BOTH our sins and our diseases.

Physical miracles confirm that Jesus is the Risen Christ, who is the same yesterday, today, and forever. They also reveal God's compassion for mankind. In Mark 16, the Gospel was preached and confirmed with signs following. We also find in John 2:23, that the people believed when they saw the miracles. "Many believed in his name, when they saw the miracles which he did."

# e Gospel.

Each afternoon, Janey and Svetla held a children's crusade for children up to 12 years of age. There were as many as 3000 children attending the crusade at a time. God moved mightily, and many children were saved and healed in these meetings.

On the last night, the Holy Ghost fell with great power, and thousands were Baptized with the Holy Ghost and with Fire. People fell to the ground overcome by the Power of

the Holy Ghost. Others were praying in other tongues, shouting, and worshipping. There were some who could not stop, and they went on for hours. Jesus has touched Mufakose!

The crusade ended on this powerful note of victory. We are thankful to the Lord for every opportunity He gives us to preach the Gospel. A great harvest is at hand in Africa. This is the time! We cannot hold back!

This year, we have several more Africa crusades. We also have crusades in

various locations in Asia. We recently began our fourth year at our Training Center for Church Planters in Asia. So far, we have pioneered over 90 churches in the unreached regions of the nation. All of our

churches are thriving and growing in spite of severe persecution.

Thank you for your prayers and financial support. We know you work very hard for the money that you sow

into DWM. We honor you and your labor for the Lord.

For this reason, we do not waste or squander your money, but strive to make every cent count. As the saying goes, "We get the most bang out of every

buck!" Our current statistics indicate that we win one soul for Jesus for every 22 cents we spend! This includes training churches, crusades, follow-up of new believers, etc. This is a small price to pay considering Jesus gave His life!

It is your prayers and sacrificial giving that God uses to enable us to reach the lost. So, from the bottom of our hearts, a warm "thank you." Thank you for loving

us, joining your faith together with ours, supporting us, and for being ONE with us in this cause of the Cross of Jesus.

May the Lord Bless you abundantly, in all things!

Blessings and Fire!  
In Christ Jesus,

Christopher Alam
