A Great Harvest in Chawama !

My friend of mine, Pastor John Nuzzo, brought a team from his church to participate in the crusade. He preached with great power during one of the crusade services. In addition, his team helped Africa team members, Janey and Svetla, at the children's crusade, where many children accepted Jesus as their Lord and Savior.

God also gave great grace and confirmed His Word with many signs, wonders, and miracles. Demon possessed people fell down as the evil spirits came screaming out of them. There is no power that can stand against the matchless name of Jesus Christ of Nazareth.

Each night, there were deaf people healed, several people suffering from blindness in one eye or both eyes received their sight, and many others were healed from various different diseases and infirmities.

Dear Friends,

Greetings in the name of Jesus!

Chawama, Zambia is a township located outside the capital city of Lusaka. This was not our first time to Chawama, and since it is a growing town with many new people, we sensed a leading to return for another crusade.

The crusade was well-prepared by Pastor Mavondo and our Africa team. There were several local churches who worked together with us.

By the time the crusade started, there was great excitement and much anticipation of what the Lord would do in our midst.

On the first night of the crusade, our generator broke down. It took an hour and a half, in pitch darkness, to make the emergency repairs needed to get it up and running again. When the lights finally came back on, we were surprised to see that the multitude of thousands had patiently stood waiting in the darkness as the

generator was being repaired, dissipating my expectations that they would return home.

From the beginning, there was a hunger for the Gospel in the hearts of the people that brought a mighty move of the Holy Spirit, which continued to increase as the crusade progressed. Each night, multitudes of hungry souls came out to hear the Gospel and responded to the altar call for salvation. We are thankful and overjoyed to be able to reap this harvest of souls for God's Kingdom.

Jesus Christ, the same, yesterday, today, and forever. Hebrews 13:8

Go ye into all the world and preach

On the last night, the Holy Ghost fell with Pentecostal power. Thousands were baptized with the Holy Ghost and with Fire, speaking in other tongues as the Spirit gave them utterance.

Before the service concluded, we prayed for God to send His healing power upon the people one last time. Amazing miracles happened all over the field – tumors disappeared, the blind and the deaf were healed, and at least 3 lame people got up and began to walk.

The most striking miracle was a little girl, who was born with deformed arms and legs. She had never

been able to sit, stand, or walk. Jesus healed her and she stood up and began to walk! We brought her up on the platform, and walked with Africa team member, Janey.

On my flight home, I was drifting off to sleep and my thoughts went back to the crusade – to that final miracle, the little girl who began to walk. I thought of the mighty power of God surging through her twisted, deformed body. He made her whole, raising her up to walk for the first time in her life.

How can such things be? The only thing that I did was kneel on the

platform, and with my unworthy lips I spoke the wonderful name of Jesus Christ of Nazareth the Son of God. At the mention of that Name that is above every name, the power of Almighty God descended into her crippled body and made her whole.

As the memory of that moment returned, tears filled my eyes and I began to weep. O what a worthy name! A Holy name! A powerful name before which every demon and disease must bow! O what grace God has chosen to bestow upon us that we should be made worthy by His Blood to speak His name with power!

We are privileged that God is allowing us to see things that the angels and the prophets of old desired to see but could not. This thought arose in my heart as I drifted off to sleep, "Except for Jesus, what else is there in this world or in this life worth living for?"

Yes, my brother, my sister, let us live for Jesus with all of our hearts!

The Lord Bless you richly, in every way!

In Christ,

Zimbabwe Spotlight!

You may have read in the news about the difficult situation in Zimbabwe. In spite of it all, Zimbabwe is experiencing revival like never before. For two years we have seen a powerful move of God in this nation. Zimbabwe is ripe for harvest! Because of this, we have decided to hold the remaining 8 Africa crusades for 2007 in Zimbabwe.

We are in acute need of your help and sponsorship! Each crusade costs \$22,000 on the average. We believe that we will see between 100,000 to 150,000 people respond to the altar call for salvation in each crusade.

Would you sponsor an entire crusade for \$22,000? There are those who could even sponsor two crusades, or if that is not possible, perhaps half the cost of a crusade. Please do prayerfully consider this, and give according to what God has blessed you with! Every dollar designated to sponsoring a crusade goes toward winning souls separate of administrative overheads. We need your help!

"Do you not say, 'There are still four months and then comes the harvest'? Behold, I say to you, lift up your eyes and look at the fields, for they are already white for harvest! And

he who reaps receives wages, and gathers fruit for eternal life, that both he who sows and he who reaps may rejoice together." John 4:35-36

I am asking you to sow generously into Zimbabwe, so that we can go out and bring in the harvest. Both you and I can then rejoice in the presence of God!

"He who gathers in summer is a wise son; He who sleeps in harvest is a son who causes shame." Proverbs 10:5

the gospel.

Healing Testimonies

There were many outstanding miracles that the Lord did for the people of Chawama, and I want to share several that have stayed with me in a special way.

He was crippled, and now he dances for joy!

There was a young man, who was insane and committed to a mental hospital. In addition, he was paralyzed in his arms. Jesus touched him, and now he is totally healed and delivered!

Jesus touched a totally paralyzed woman, who was brought in a wheelbarrow by her family. I saw her rise up and begin to walk. As our ushers danced, they held up the wheelbarrow

that carried her to the crusade. The crowd began to cheer. She came up to testify and was able to walk all over the platform. At the end of the service that night, we saw her dancing on the field with the rest of the crowd!

A 7 year old girl, who had become paralyzed at the young age of 4, got up and began to walk and run!

At around the same time as the previous testimony, another paralyzed woman was also healed. She dropped the crutches she was using and began to walk. Her sister, who was one of our counselors, brought her up to the platform where she began to run!

There was a little 4 year old, who was born paralyzed in her legs and unable to move her hands. Jesus healed her, totally and completely!

A little girl 6 years of age, who was born totally paralyzed, stood up and walked for the first time in her life!

There was a young man in his twenties who was born mute. He could hear, but had never uttered a single word in his life. After Jesus healed him, he came up to the platform and spoke into the microphone. There were many in the crowd who knew him, and at the sound of his voice the whole field burst into shouting, singing, and dancing! It was a powerful moment.

The eyes of a 13 year old girl, who could not see since birth, are now open!

A mother came carrying her little girl, who had never been able to sit, stand, or walk. Jesus touched her, and she stood up and walked as the crowd shouted and praised God!

This woman was totally paralyzed and brought to the crusade in the wheel barrow. God has touched her and restored her body!

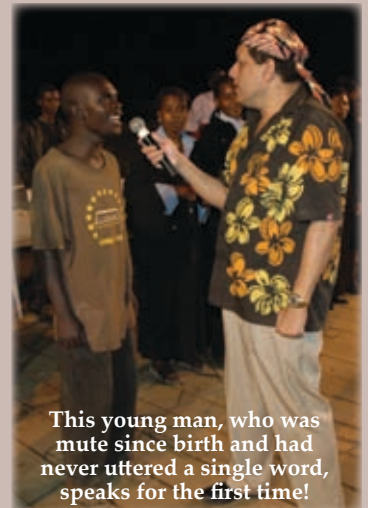

Jesus healed this little girl, who was born paralyzed & had never stood or walked.

Jesus healed this little girl, who was born paralyzed & had never stood or walked.

Jesus healed this little girl, who was born paralyzed & had never stood or walked.

This young man, who was mute since birth and had never uttered a single word, speaks for the first time!

The World Awaits...
