Breakthrough in Kalingalinga!

of souls come to Jesus and experience God's grace as He confirmed His Word with wonderful miracles.

On the last night of the crusade, the Holy Ghost fell with Pentecostal power. A multitude of people received the baptism with the Holy Ghost and with fire, speaking with other tongues as the Spirit of God gave them utterance.

Dear Friends,

Greetings in Jesus name!

Kalingalinga, a township in Lusaka, Zambia, had never before experienced a Gospel crusade. It is a notoriously rowdy place with rampant crime. The crusade venue which was located next to the marketplace was the only open field in town. The area was surrounded by bars and drinking establishments that were open every evening. As a result, there were a lot of drunkards, causing rowdiness and frequent disturbances.

There was a spiritual battle taking place, and the first few nights were the toughest. People walked around talking and shouting; creating an incredible din while I preached.

Although it was difficult to work and minister in these conditions, we pressed on. Resting on the knowledge that there is power in the Word of God, which never returns void, but always fulfills the purpose for which it was sent. It was evident that God was moving among the people of Kalingalinga.

Each night, large numbers of people receive the Lord Jesus and many were healed from various diseases and infirmities.

During the service on the next to last night, the Lord did some extraordinary miracles. Many people were delivered and fell to the ground screaming as the demons that possessed them came out. It was during that service that things began to quiet down. After five days of relentless spiritual battle, we felt that we had finally broken through the darkness. We were blessed to see multitudes

We give all the glory, honor, and praise to our Lord Jesus for all the wonderful things that we witnessed during this crusade: supreme miracles of salvation, wonderful miracles of healing, and many miracles of deliverance. He alone is worthy!

Our next crusade will be in Zimbabwe, which is experiencing revival despite very difficult times. The last two years, we have held large and very successful crusades in Zimbabwe with multitudes of souls coming to Jesus. We

have also seen the Lord's wonderful working power in amazing ways. I had never seen as many paralyzed, crippled, and lame people healed as I saw in our last crusade in Zimbabwe. People came from all over the country

and as far away as South Africa for a touch from Jesus.

Pastors are clamoring for help, teaching, and leadership. Because of the spiritual hunger and awakening, we will

hold the remaining 2007 African crusades in Zimbabwe.

We desperately desire to reach these people who are so hungry for the life-giving Gospel of Jesus Christ, and we urgently need your assistance. Can your church or business sponsor a crusade in Africa this year? What can you do personally to help us?

We typically see at least 100,000 people receive salvation during a crusade, and each crusade costs us approximately \$22,000. That breaks down to about 22 cents to win one soul for Jesus!

What is a soul worth? It is priceless. Jesus paid for each of us with His own precious blood. He gave His life to save the lost. My family, my team, and I have dedicated our lives to reach the lost. Please prayerfully consider enabling us to reach them by giving of the resources that God has blessed you with.

With much love,
In Christ,

You Have a Destiny!

God has a destiny for you. He has a plan and a purpose for your life. His Word says in Ephesians 2:10, "For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand that we should walk in them."

Always remember these two things:

1. God is a good God. He has a wonderful destiny for each of us. We see that even as a baby, born in a Muslim country so devoid of the Gospel, God still had His Hand upon me and sent someone to speak His Word of blessing upon my life. The same is true for you; remember that God has had His Hand upon you since the time you were in your mother's womb. We may never know, this side of Heaven, how He has orchestrated the details of our lives.

2. There is power in the Word of God. Strive to live in the reality of that power and always speak blessings from His Word upon the lives of those you meet; even if they are newborn babies. God's Word shall never return unto Him void, but it shall always fulfill the purpose for which it was sent!

You are destined to win, sentenced to life, and condemned to victory through the Blood of Jesus Christ and by the power of the Word of God that has been spoken over you! Hallelujah!

Discovering an Unknown Chapter of My Life!

My Mother and I were separated when I was only 8 years old, and so, in many ways I don't really know her as a mother. We have few shared memories and sadly there is very little 'mother-son chemistry' between us. But, she is my mother, so I call from time to time to see how she is doing. On Monday, April 9, 2007, the day after Easter, I called her and soon discovered that God's hand was upon my life in ways I could not imagine.

During the course of our conversation, my Mother informed me that the widow of Colonel Ashraful Alam, a very close friend of my Father, had passed away. Colonel Alam was my Father's commanding officer when he was a Major in the Regiment of Artillery. He looked on my Father as his younger brother. Since I was a child when I last saw Colonel and Mrs. Ashraful Alam, I do not have many memories of them; however, I do remember that they were nice and that we were very close. *(Please note: Although we share the same family name, we are not related.)*

Upon expressing my regret that Mrs. Alam had passed away, my Mother said, "You know, I was with her until just before her death, and she always asked about you. She knew you were a Christian and a Pastor and wanted you to pray for her."

I could not understand why she would ask about me since I had not seen her since I was a child. My Mother then told me that Mrs. Alam was my godmother and that she loved me very much. She explained that she was in the hospital with her when I was born. She then began to relay the details of my birth, "She was the first one to pick you up and hold you as a newborn baby. She wrapped you in a white blanket that she had made just for you, and held you in her arms. She always wore a cross, and when she picked you up, the first thing she did was to take that cross and put it on your forehead and bless you."

I had no idea that Mrs. Alam was a Christian. This was totally new and amazing information to me. My Mother explained that she was a devout Christian and when my Father saw her put the cross on my head and bless me he asked, "My Sister, what is this you are doing?"

Mrs. Ashraful Alam looked at my Father and replied, "My Brother, I know that you are a strong Muslim and that you shall bring your son up as a Muslim, but God is going to save him and Jesus is going to bless him!"

As my Mother finished explaining the details of this previously unknown chapter of my life, she exclaimed, "Well, we can see today that your godmother, Mrs. Ashraful Alam was right!"

Until that day, I never knew that someone, a born-again Christian, had spoken blessings over me, in the Name of Jesus, when I was born. I began to cry. I was absolutely overwhelmed by this news. God is faithful!
