Changed by the Power of God!

Dear Friends,

As you probably have read in the news, Zimbabwe is at present in a deep economic crisis. Unemployment is at 80%, and the inflation rate is over 3700%. It is not uncommon to see prices change almost daily.

In this situation of great despair, the Gospel of Jesus is bringing hope. On this trip, a high-ranking government official said to me, "Pastor Christopher, thank you for bringing hope to Zimbabwe."

People are turning to God like never before. It is harvest time in Zimbabwe!

"He that gathereth in summer is a wise son: but he that sleepeth in harvest is a son that causeth shame." Proverbs 10:5

Mbare is a very large township just outside Harare, the capital of Zimbabwe. It is reputed that most of the criminals operating in the Harare area are from Mbare. Outsiders are afraid to enter, especially after dark, due to the crime and violence that plagues

the community. For some time we have desired to hold a crusade in Mbare, and we were very excited when we were finally able to do so.

Our team started preparing for the crusade together with the local churches. Enthusiasm was great among the local Christians as our team launched our intensive pre-crusade Mobile Bible School.

Many attended the training program, where they were trained in a variety of areas. As the school comes to a close,

they are given an exam and awarded certificates. These individuals then serve in the crusade and later carry out the all-important task of following up with the new believers.

This crusade started with the power of God in strong manifestation at every service. The crowds increased daily. Those who were present said that this was the largest gathering in Mbare to date.

Zimbabwe's top vocal artiste, Fungisai, attended. She is Pentecostal and

Jesus Christ, the same, yesterday, today, and forever. Hebrews 13:8

sang during two of the crusade services. She too commented that this was the largest crowd she had ever seen.

Multitudes came out to hear the Gospel and amazing numbers of people came to know Jesus as their savior every night. On the last night, the Holy Ghost fell upon the crowd with great power and

countless thousands were baptized with the Holy Ghost and with Fire.

God also touched many with wonderful miracles to confirm the Gospel message. We saw lame people get up and walk, blind eyes open, deaf ears hear, demon possessed people delivered, and tumors disappear. We serve a great and mighty God!

The Light of the Son of God shone in the darkness of Mbare. Mbare was shaken by the power of God and countless lives were changed. All Glory to Jesus!

This month I will be in Zimbabwe again holding two crusades. We will also have Schools of Ministry where we train hundreds of pastors and equip them

to do the work of the Gospel.

Thank you for your love, prayers, and sacrificial giving that the Lord uses to make all this possible!

In Christ Jesus,

Christopher & Britta Alam
