When Jesus Touched Magwegwe, Zimbabwe!

Dear Friends,

Greetings in Jesus Name!

Christmas Season is here again, for those of us who love Jesus, it is the most wonderful time of the year. Christmas is about Jesus, about the Salvation that He offers so freely to all mankind. The Birth of the Lord Jesus was heralded by angels with this loud proclamation:

"Fear not: for, behold, I bring you good tidings of great joy, which shall be to all

people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord." Luke 2:10-11

I am writing this newsletter from a hotel room in Kaohsiung, Taiwan. God is moving mightily in our meetings here in Taiwan, with hundreds receiving Jesus and many wonderful miracles; I rejoice at what the Lord is doing here in our meetings, but then I also realize that it is so little if one looks at the greater scope of things – that out of the 23 million people in this nation, only 2.5 % know of the Saving Grace of our Lord Jesus.

This year we have seen over 1 million people pray to receive Jesus Christ in our crusades, but then that is only 1 million souls out of the over

6500 million people who live on this planet. There are vast multitudes that are yet unreached with the Good News of Jesus Christ.

Jesus came with salvation not just for a few million but for ALL men, and we cannot stop preaching the Gospel until the last chain is broken and the last captive is set free. This is God's premier and foremost calling upon the church. This is our mandate from Heaven and God is behind it!

So as we celebrate this wonderful season with our families, our loved ones, and our friends, let us remember the true meaning of Christmas that Jesus came to save ALL mankind. Let also remember the commandment of Jesus to, *"Go into all the world and preach the Gospel to every creature."*

Our family and our teams are ending this year with thanksgiving and we are entering into 2008 with fresh Faith, Fire, and Anointing to preach the Gospel of Jesus to the nations of the earth!

Thank you, our friends and partners, for standing with us in the work of our Gospel. Your faith, selfless giving, prayers,

Jesus Christ, the same, yesterday, today, and forever. Hebrews 13:8

Go ye into all the world and preach

Above Clockwise From Top: God healed this paralyzed woman - now she dances and gives praise to Him! This young man was deaf, and now he can hear! This man's arm was paralyzed. Jesus touched him and he is whole!

Front Left to Right: Paralyzed and deaf from a stroke, this woman now dances for joy! This young girl was deaf, and now she can hear!

and love for the Gospel have borne much fruit. We thank the Lord for you and know that the Lord shall continue to bless you into 2008 and beyond!

And now for the final Crusade Report of this year from Africa!

Our final crusade for 2007 was held in Magwegwe, located in Southern

Zimbabwe. Huge crowds came out to hear the Gospel every night, and multitudes received Jesus and were saved. There is such a hunger for God during these critical times in Zimbabwe. It stirred my heart to see

the people pressing forward into the Kingdom, and I was reminded of the Scripture that says: *"The kingdom of heaven suffereth violence, and the violent take it by force."* Matthew 11:12

God confirmed His Word with wonderful signs, wonders, and miracles. Lame and paralyzed people got up and walked, blind eyes were opened, the deaf were healed, tumors disappeared, and demon possessed people were delivered through the power that is in the mighty Name of our Lord Jesus!

Here are a few of the many wonderful testimonies that "stuck to" my mind from this crusade:

A boy born deformed and club-footed in both feet, who could not walk, was brought to the crusade. Jesus touched him and he stood up and marched around the platform as the crowd shouted, cheered, and praised God.

A little girl, whose eye was totally destroyed and blinded by boiling water, was given a new eye when Jesus touched her. She began to see perfectly! What a wonderful God we serve!

A lady, who became paralyzed and deaf after a severe stroke, was

the gospel.

From Left: God healed this lady, who was paralyzed, and now she dances for joy! This girl's eye became blind when boiling water fell on her - God healed her, and now she can see! This mother and daughter were both healed during the crusade!

carried to the crusade by her family. Jesus healed her! She got up and began to run, and began to hear perfectly. She came running on to the platform and danced all over the place with all her might, shouting for joy. The outpouring of joy and rejoicing was such that the crowd became totally unglued and we nearly lost control of the multitude!

Then there was a young man born with a paralyzed right arm who was healed. He came eagerly to the platform, waving his arm and showing us what the Lord had done for him. His friends in the crowd shouted and rejoiced with him!

One evening, a lady who was both deaf and blind was healed. She returned on the last night, bringing her paralyzed daughter who was unable to move without the assistance of crutches for the past 7 years. God healed her, and she began to walk without her crutches!

Our crusades end on a Sunday night and this is always our "Holy Ghost Night." As the crusade ended that last night, the Holy Ghost fell with great power and thousands were baptized with the Holy Ghost and with Fire – speaking in other tongues, shouting, falling down, weeping, and shaking. As

Pentecostal Fire came down, the praises from the multitude ascended to the Heavens with tongues of fire. It was glorious!

After the baptism of the Holy Ghost, the Spirit of God fell again with healing power and we saw hundreds of miracles as the crusade came to a close. Deaf and blind people were healed, tumors disappeared, and many crippled were also healed.

After the service when the multitude left to return home, sticks and crutches were scattered across the field; lying where the people discarded them after God had healed their bodies. We watched a paralyzed man, who was brought in a wheelbarrow, walk home with his family as his grandkids played with and gave each other rides in the very wheelbarrow that had been needed to carry him.

All Glory to the Lord Jesus for all that He has done!

In the weeks since this crusade and the preceding crusade, held in Pomola, we have received great reports of strong church growth, miracles, and continued revival!

We have ten crusades planned in Africa next year. Please prayerfully

consider your church or business supporting a crusade in 2008 for \$22,000!

Blessings and Fire! Have a Blessed Christmas and New Year!

In Christ Jesus,

Christopher and Britta Alam
