# Maramba Shaken by Holy Ghost Power

Dear Friends,

**M**aramba is a township located just outside Livingstone, Zambia. Livingstone lies right next to the fabled Victoria Falls on the Zambezi River, one of the most amazing sights in the world. Right across the Zambezi, on the Zimbabwe side, lies the city of Victoria Falls, the venue of our next crusade.

Livingstone city, especially the township of Maramba, was ready for the Gospel. Because of the heavy influx of tourists, crime was at an all-time high. The police had imposed a 9:00PM curfew because the streets were not safe after dark; armed gangs of young criminals robbed and beat up people and broke into houses. Such was the situation that we came into.

God moved mightily in this crusade. The Gospel message went forth with great power and huge multitudes received Jesus at the altar calls every single evening. This was followed in the true Biblical pattern of the preaching of the Gospel being confirmed with signs, wonders, and miracles.

Many deaf people received their sight, blind eyes were opened, lame people began to walk, and the demon possessed were set free by the power that is in the Name of Jesus Christ.

Saturday night was an amazing explosion of Holy Ghost Power. A huge multitude covered the field and received Jesus at the altar call. Then God sent down His Power and amazing miracles began to happen in the crowd. Several lame people got up and began to walk.

People began to shout, and it was so intense that we were shaken. First was a woman who could not walk since 1992. She was carried in on a wheelbarrow. She got up and began to walk. Her brother-in-law, we found out, had carried her for over 2 Kilometers in a wheelbarrow. His heart

was full of faith that God would heal her and that she would walk.

To see such faith in people is a most humbling experience. This is one of the great joys of ministering in Africa. It strengthens me,

This crippled man runs and dances!

This little deaf boy is healed!  
(Behind him is his happy mother)

She could not walk, but now she runs for joy!

# Go ye into all the world and preach

energizes me, and fills me with Fire in my bones!

After this, a young woman who could not walk and was bent over, her upper body bent parallel to the ground, stood up straight and began to walk. Then a man came running up to the platform, dancing and shouting with his hands up in the air. He too, had not been able to walk. There were a couple others who began to walk.

It was overwhelming, and I felt so small in the face of the greatness, the overwhelming Grace of the God we serve... Then there were the other miracles. People were shouting, dancing, rejoicing and praising God. The crowd was out of control; there was total holy chaos in the place, uncontrolled Revival!

The next day, Sunday, was to be our last service. I was woken up in the morning by a phone call, asking me to fly to Paris immediately to pray for the President of an African country, who had fallen seriously ill and was in a hospital there.

Gabriel and I jumped out of bed, packed our clothes and within two and a half hours were on a

plane flying to Europe, where we were there for two nights and then returned to Africa.

Pastor Mavondo, our Director of Operations in Africa, filled in for me during that last service and preached that night. Many were Baptized with the Holy Ghost and with Fire. After that he gave a special altar call for the armed criminals who had been tormenting the town. He urged them to repent and to come to Jesus. Over 80 of the young thugs came forward to receive Jesus!

This set a stop to the wave of violent crime that had plagued the town! Praise the Lord!

Thus ended our crusade in Maramba! Surely our Lord Jesus is Alive! To see the Living Christ manifest Himself in such ways, saving sinners, healing the sick, and setting them free, is a priceless privilege. We rejoice that God has counted us worthy to serve Him as His bondservants. When I was born, my Muslim grandfather

gave me the name "Abdal Nasir", which translated from Arabic, means "The slave of the One from Nazareth". I can see that coming to pass!

There is no greater thing that we could do with our lives than serve Him!

Thank you for your love, prayers, and support!

In Christ Jesus,

Christopher & Britta Alam

# Burma Relief Efforts

Here are a few photos from our cyclone relief efforts in Burma. We sent 4 teams out to the affected areas to bring help to the people. Our teams went out by boat, with medical aid, food, clothes and footwear.

Thank you for helping us to reach those precious people with help in their hour of need!
