Victory in Victoria Falls!

This deaf-mute child began to hear and speak!

Miracles happening throughout the crowd!

She could not walk, but now she is healed and runs full of joy!

Dear Friends,

In this newsletter I am reporting from our crusade in Victoria Falls in Zimbabwe.

With the deep economic crisis in Zimbabwe, there is an increase in the spiritual hunger of the people such as never before. When all else fails, people look to God for answers. Such is the situation in Zimbabwe today. People are hungry for Jesus, and we must preach the Gospel to them. It is harvest time in Zimbabwe!

The churches in Victoria Falls were very excited about this crusade and worked wholeheartedly with our team as the crusade was being prepared. Our usual 3 week-long pre-crusade Mobile Bible School went very well, and the crusade finally started off with God's power manifesting right from the very first night.

That night the Holy Ghost fell, and the crowd began to stir as miracles began to take place. Suddenly, a wheelchair was held aloft above the mass of humanity gathered in the open field. After that crutches went up into the air. Lam and paralyzed people began to get up and walk all over the place. The crowd began to shout and rejoice. People were dancing, singing, shouting with joy, and glorifying God...

This was only the beginning!

What surprised us the most was the huge mass of humanity that packed the field every single night of the crusade. It seemed that the whole city was there, in addition to a lot of people from other places too. The crowd of people not only filled the field, but also stood packed together in the dark areas beyond the reach of our lights.

Every night at the altar call we saw huge multitudes receive the Lord Jesus as their Lord and Savior. There is nothing in this world like seeing such multitudes pressing forward to meet the Savior, who alone has the power to give sinners the gift of Eternal Life. What we saw that week, the way the people came to Jesus, reminded us of the scripture, *"The kingdom of heaven suffereth violence, and the violent take it by force."* (Matthew 11:12)

God gave great grace and confirmed His Word with signs following. We saw lame, crippled, and paralyzed people get up and walk, leaving their wheelchairs, crutches and wheelbarrows. One lame man was a game warden whose leg had been trampled upon and crushed to pieces by a wild elephant. God healed him and he ran, praising God while the crowd cheered.

Go ye into all the world and preach

Blind people received their sight, many deaf people received their hearing, and large numbers of demon possessed people were set free. Demons cannot resist the power that is the mighty name of Jesus Christ.

On the third night, the Chairman of the local pastors' fraternal came to me with a special request. There was a hospital about 300 yards away (I had not seen it because of all the trees); the patients there had wanted to come to the crusade, but the doctors would not allow them to. Instead, the doctors had requested that I pray a special prayer for their patients in the hospital when I prayed for the sick. This I duly did.

The next evening the Chairman came to the crusade excited. He had just been to the hospital. The hospital personnel told him that about half the patients had been healed by the Power of God. In fact, the doctors had spent that morning examining and discharging all those patients because they were now healed and well!

All Glory to Jesus!

On the last night, the Holy Ghost fell with Pentecostal power and a huge multitude were baptized with the Holy Ghost and with Fire, worshipping and praising God in other tongues as the Spirit gave them utterance.

This crusade shook the city of Victoria Falls. Everybody was talking about the mighty works of God that they were seeing at the services. What amazed me the most were the crowds of teenagers and young people that could be seen in the streets of Victoria Falls shouting and chanting, "If this is what church is like, that is where we want to be!"

Quite a challenge for the churches!

The church must rise to its true place of power instead of lowering itself to cater to the preferences of

the average self-centered American. Sinners who are looking for answers are not seeking wishy-washy "seeker friendly" religion where the church exists to cater to peoples' whims.

Sinners are not seeking a "fast-food drive through" style of Christianity with concert-style worship followed by a short "life-coach" style message affirming them and then sending them home. Sinners are seeking Jesus of Nazareth. They want to meet with Him. They want His touch. They want the power of God. That is what they are looking for!

All this is a challenge for us. Not just for the churches, but us as individuals.

And what is God's answer to this?

Jesus said, *"Ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth."* Acts 1:8

This promise of the Holy Spirit is not addressed to an organization, but to people. In other words, people out there are hungry for Jesus, and God wants to fill you and me with His Holy Ghost so that we can be witnesses for Jesus to those people!

"Be filled with the Spirit" (Eph 5:18) is what the Word of God says; not as a suggestion but as an imperative.

"Go ye into all the world, and preach the gospel" (Mark 16:15) is another such imperative.

There is great power in the Gospel; saving power, life-changing power, healing power. God has called us, anointed us, and sent us to do His bidding. I think of the words of the church father Ignatius, "Go forth and set the world on Fire!"

So let us all be filled with Holy Ghost Fire and go forth, more than ever before, bringing in the great vast of souls that God has put before us!

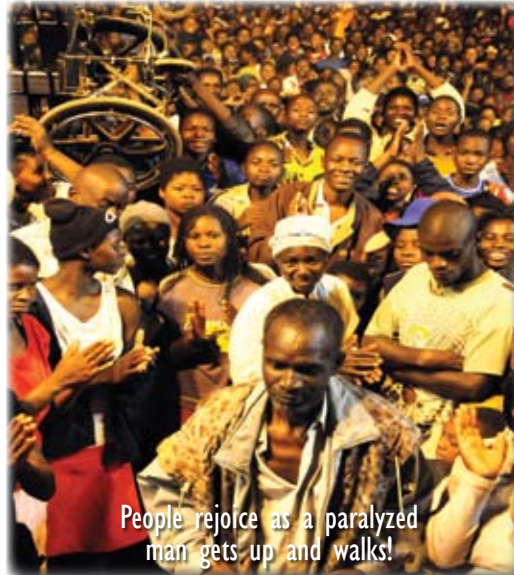

the gospel.

This year has been a year of great blessings for us. The harvest fields are ripe. God is pouring out His Spirit, and He is confirming His Word with signs following. We are seeing an outpouring of His grace and mercy as never before. People are pressing into the Kingdom of God, coming to Jesus by the multitudes. Heaven is being populated and hell is being plundered!

We have four more crusades in Africa

God opened this woman's blind eye and now she can see!

People rejoice as a paralyzed man gets up and walks!

this year, all to be held in Zimbabwe. Let us expect great things from God!

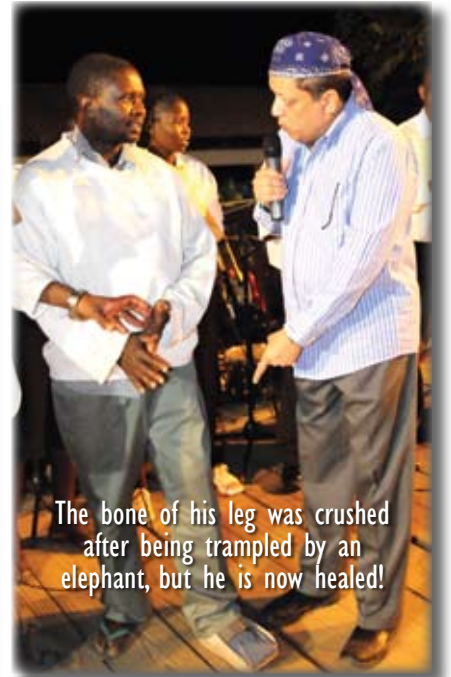

Thank you, our beloved friends and partners. Thank you for standing with us with your love, faith, prayers, and support. Thank you for continuing to sow your seed into the fertile soil of the Gospel in spite of difficult times.

Truly, you shall bear much fruit!

In Christ Jesus,

Christopher and Britta Alam

The bone of his leg was crushed after being trampled by an elephant, but he is now healed!

Children's Crusade Victoria Falls...

(Excerpt taken from the Victoria Falls field report from Africa Team member, Janey Menzies)

"Our children's crusades had about 1000 kids each day. Many receiving Jesus for the first time and others were growing in their knowledge of Him. We had some visitors from the States who were a great help with dramas, clowns and puppets! They were very touched at seeing the children and the way they respond to Jesus. Sometimes I get used to what we see but I pray that I will never take for granted the amazing work that God is doing and the great privilege it is to be part of it. All Glory and honour to Jesus for all he did in the recent crusades!"
