## Pentecostal Flames Over Chawama!

*"And the God that answereth by fire, let him be God." 1 Kings 18:24*

Dear Friends,

In this Newsletter, I would like to share with you from our recent crusade in Chawama, Zambia.

With us, at this crusade, were teams from RHEMA Bible Training Center, State College Assembly of God, and Swedish Pentecostal churches. They assisted us most ably during the crusade, ministering to the people. In addition to this, they helped Janey at our children's crusade in the afternoons. They also did street evangelism and ministry in orphanages, etc.

The rainy season in Zambia did not end in early March as it normally does; instead we saw quite heavy rainfall during the Chawama

Crusade. The interesting thing is that this did not deter the people. They came out in huge numbers and stayed to hear the Word of God preached; so great is the hunger for the Gospel in Africa!

We moved all our musical instruments away under cover and kept two microphones active for the interpreter and myself, and stood in the pouring rain, preaching the Gospel soaked to the bone. Some of our equipment was damaged by moisture as a result, but our team managed to get everything repaired after the crusade.

Huge multitudes responded to the altar calls for Salvation, receiving the Lord Jesus as their Lord and Savior every night, in spite of the rain.

I wrote a report on the second night and emailed it to my friends on my email list. This was my report, and reflects a typical night during the Chawama Crusade:

*"Tonight, the second night, we saw an awesome move of God. A huge crowd came to hear the Gospel. A large multitude responded to the altar call for Salvation. Then, God gave great Grace and confirmed His Word with signs, wonders, and miracles. Many deaf ears were opened. Two ladies, who were blind and could only distinguish shadows, received their sight. Two lame people walked. One was a man pushed in on a wheelbarrow. He had not stood or walked for 7 years. The other was a lady who was physically carried there by her family. You should have seen the way she*

# Go ye into all the world and preach the gospel.

*began to run across the field, and then danced and praised God! In addition to this, several demon-possessed people were also set free by God's Power."*

We saw the Mighty Hand of God move the people in this way every single night. People Saved by the multitudes, deaf people hearing, lame and paralyzed people walking and running, blind eyes seeing, and the demon possessed delivered.

And why not? The Bible declares that our Lord Jesus is, "The same yesterday, today and for ever" (Hebrews 13:8)!

If Jesus is the same today as when He walked upon this earth 2000 years ago, then surely he shall do the very same things today as He did then!

We as members of His Body, His Family, should therefore rise up in faith and expect nothing less today. Jesus hasn't changed; the Word of God hasn't changed. Yes, the world has changed,

religious viewpoints have changed, but our faith is of Jesus the Son of God, of His Word, and not of this world or of the spirit of religion!

So, stand your ground in faith in Him, reach out and take your portion! Believe the Word of God. Speak the Word of God. And, act on the Word of God; knowing that God Himself stands behind His Word, ready to move on the behalf of those who believe!

What a wonderful Jesus we serve!!! We see Him saving sinners, healing the sick, and setting the captives free! What a privilege it is to serve Him! Let me say this, that the wonderful Gospel of Jesus that is invading this world with Pentecostal power is an unstoppable force! Wherever this Gospel is being preached, God Himself goes forth with full power and glory, causing people to turn to Him! Hallelujah!

You, our partners, are an important part of this through your faith, prayers, and financial support!

The last two nights of the crusade were exceptionally powerful and full of miracles. We saw lame and paralyzed people get up and walk, blind eyes open, deaf ears open, tumors disappear, and demon-possessed people being delivered, amongst other things. On the last night, the sky was clear, the rain was gone, and for the first time, we actually saw the stars in the heavens. And, a HUGE crowd had gathered to hear the Gospel.

This was what we call "Holy Ghost Night", when at the end of this last service we pray for people to receive the Holy Ghost.

I have no other words to describe what happened next other than that the Fire of the Lord fell upon us all like a tsunami; a tidal wave of Glory hit the place. Around 30,000 people received the Baptism with the Holy Ghost and with Fire. The whole field covered with the vast multitude, seemed to be ablaze with Rivers of Fire flowing down from Heaven. All over the place people were weeping, shouting, falling, and speaking in tongues as the Spirit gave them utterance. Jesus Christ was Glorified.

And, we can say that our Lord Jesus is loved and exalted in this town, far more after this crusade than He was before we came to Chawama!

A paralyzed lady comes dancing to the platform to testify.

A man paralyzed after a stroke and unable to move his arm or leg demonstrates that he is totally healed by Jesus!

He was paralyzed to the crusade

The teams from RHEMA, State College AG, and Swedish Pentecostal Churches stood side-by-side and helped me minister. God let them see many miracles of healing and deliverance as they laid hands upon the people. I believe that their lives have been changed for ever!

Some good news: After many hindrances, our new generator has finally arrived in Zimbabwe (from Dubai) and has been mounted on our truck in Africa. It is a nice 45 KVA Diesel Generator replacing our old 27 KVA unit that is more than 12 years old and had become too small for our needs.

Thank you Pastor Chris Foster and New Life Assembly of God in Lancaster, PA, who raised \$20,000 last year to help us buy this generator!

Thank you for your love, prayers, and support. We are in a very tenuous financial situation right now. We have two crusades scheduled for Zimbabwe in July, and we are financially in the red.

Because of the present economic crisis, our incoming support and church offerings have shrunk and we need your help right now. We have even considered doing the unthinkable; canceling our July crusades. I say this with great pain in my heart, as we have never had to cancel a crusade before due to of lack of funds. Each

crusade costs us around \$25,000, but with that money we see over 100,000 souls for Jesus per crusade with that money. It is money well spent for the Kingdom of God!

Thank you for standing with us!

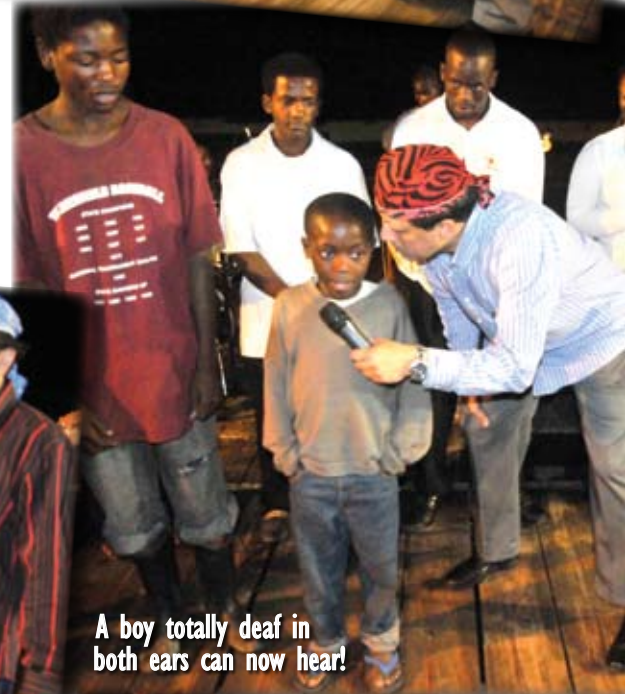

With much love, in Christ

Christopher and Britta Alam

She was crippled, but now walks, praising God!

A boy totally deaf in both ears can now hear!

This lady is dancing because a HUGE tumor instantly disappeared from her abdomen.

7 years and carried, now he can walk!

God opened her blind eyes!

She could not stand or walk, her family carried her to the crusade, where Jesus healed her.

Paralyzed 3 years and carried to the crusade in a wheelbarrow. Jesus healed her totally!

This young man shows how his paralyzed arm was healed.

She could barely stand and could not walk. Now she dances and rejoices
