The Fire Of God In Zimbabwe!

Dear Friends,

Greetings in Jesus Name! In this newsletter, I would like to report from our crusade in Mbare-Stoddart, Zimbabwe. Mbare-Stoddart is a high crime, high-density area just outside the city of Harare. The crusade was well-prepared by our Africa Team working with the local churches.

It started well from the very first night, with the Lord moving in a great way upon the people. Thousands received the Lord Jesus and many were healed from different diseases. Amongst these were deaf people who received their hearing, and a woman whose left arm had been paralyzed. God healed her arm, and she began to move it perfectly.

After the first night's service ended, I heard a lot of shouting and crying from behind the platform. I went to check what was going on and saw a 13 year old girl. During the service, she had begun to hear demonic voices in her

ears and had suddenly gone totally blind. She was now crying hysterically. I decided that I was not going to let her return home like that. We cast the demons out of her in the Mighty Name of Jesus Christ, and prayed for her eyes. The devils left her, and she regained her sight perfectly.

What a wonderful Lord and Savior we serve!

The crowd doubled the second night. The Gospel went forth with great power, and a huge multitude received Jesus. God then confirmed His Word with His miracle-working power: Demon-possessed people were delivered. Deaf ears were opened. A couple of people who had severe deficiencies with their eyesight were healed. A lady, whose left arm hung paralyzed and useless for years, was healed by God's power.

Others testified of the Lord healing them from various diseases and infirmities.

The 13 year-old girl from the first night, who was healed and delivered after she became blind and demon-possessed, came back to see me. She was all happy and praising God! We took a nice picture of her standing with me and smiling!

This girl became demon-possessed and blind - Jesus healed her and set her free!

Go ye into all the world and preach

Praise the Lord for His Mercy!

On the third night, God continued to move with His power, and the crowd was even larger. I preached from 1 John 3:8 *"For this cause was the Son of God revealed, that He might destroy the works of the devil."*

The power of God fell upon the people. A huge multitude received the Lord Jesus. Then the Lord gave great Grace and confirmed His Word with signs following. Among the outstanding testimonies that night, we saw deaf ears opened. A young mother, whose left hand was paralyzed ever since she was a child, was healed. A totally blind lady, who was led to the crusade by her daughter, received perfect sight. An elderly man, who could barely walk with a stick and was totally blind in one eye and almost totally blind in

the other, was healed. He danced for joy and smiled like a million dollars! A crippled lady, who could not move without her crutch, dropped it and ran and danced!

The state-controlled Zimbabwe television filmed the service to telecast it nationwide later. This way the whole nation shall not only HEAR, but shall also SEE the Gospel with the demonstration of God's Power! They also filmed our children's crusade and asked Janey to do a regular series of children's programs to be aired at their expense!

Surely our Blessed Lord Jesus is the same today as He was 2000 years ago! Let us give Him Glory, Honor, and Praise for all this. He, alone, is worthy of Glory, Honor, and Praise!

The next night, we continued to see the miracles and the blessings of God manifested. The crowds continued to swell and to grow. That night, I preached

on John 3:14-15, *"And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up: That whosoever believeth in him should not perish, but have eternal life."*

The power of God came down and touched the people; a huge multitude received Jesus and God did wonderful miracles to confirm His Word. In addition to people being healed from deafness and from different kinds of infirmities, we had a lady who was totally blind who received her sight. After Jesus opened her eyes, she went totally wild – dancing, jumping, shouting, and praising God. Another lady was crippled and bent over double. Jesus healed her too, and she stood up straight and just could not stop dancing!

We all laughed a lot, rejoiced and praised God, and enjoyed watching these two ladies on the platform. Both were so caught up in their joy

that they just could not stop dancing! They were both quite elderly, but they danced and jumped around like youngsters!

All Glory to Jesus! O what a wonderful Savior we serve!

Mbare is a high-crime area, and we saw a mighty breakthrough. We had held a crusade there in the past in which two leading crime personalities had given their lives to Jesus. One was a leading drug dealer. The other was a gang-leader. Both are serving God and are in church today. The Gospel with signs following gives us great influence, and we must use this influence to draw people to Jesus!

HOLY GHOST FIRE FALLS!

The last night was exceptionally powerful. The field was covered with people for this final meeting. I preached from 1 Corinthians 1:18, *"The preaching of the Cross is foolishness*

unto those that perish, but unto us it is the Power of God".

Deep conviction came upon the people and a huge multitude received the Lord Jesus. After that, the Power of the Lord fell and a large multitude was Baptized with the Holy Ghost and with Fire. Many were healed after that and we ended the crusade with much rejoicing, shouting, and dancing!

If you remember, our crusade fund was financially in the red last month and we were in a very tenuous situation. The Lord came through mightily and we experienced some wonderful financial

miracles! Thank you for your prayers, for joining your faith together with us, and for your sacrificial financial support.

In Christ,

Christopher and Britta Alam

Zimbabwe Farm Project

Things are beginning to come together! We have an Advisory Board now at the helm of this project. They are local believers in Lancaster, godly men who understand farming, finances, and business. These are men with great wisdom and have great hearts for the Lord and for the Gospel!

Please pray for us and this project – we need finances, tractors, farming equipment, and people to go to Africa and serve. We appreciate your continued suggestions and input. You can contact us at africafarm@pentecostalfire.com.
