# Pentecostal Flames Over Marimba!

Greetings in the Name of Jesus!

Marimba is a large township outside of Livingstone, Zambia. Our team prepared the crusade working together with the local churches, who had responded most enthusiastically to the prospect of our crusade in their town.

The crusade started with a blaze of God's mighty Power in demonstration. I was extremely tired after 28 hours of flying Bangkok-Hong Kong-Johannesburg-Livingstone (plus the hours spent in

transit). But, the Spirit of the Lord refreshed me when I got up on the platform to preach. I preached from Act 3 on *"The Name of Jesus."*

A huge crowd was present and we saw multitudes come under great conviction as the Word of God went forth. The people then received the Lord Jesus Christ as their Lord and Savior. After that, the Lord confirmed His Word with Signs following: The lame got up and walked, deaf people testified that they could hear, a blind man received perfect sight, and demon-possessed people were delivered by the Power that is in

the Name that is above every Name – The Wonderful Name of our Lord Jesus Christ!

One healing was a little girl who became paralyzed in her legs after her own grandmother cast a spell of witchcraft upon her. (Can you imagine such evil?) When Jesus touched her, she immediately got up and began to walk!

The Lord continued to do great and wonderful things in our midst every single night. Huge multitudes were Saved and many were people healed. Lame people got up and walked, blind eyes and deaf ears were opened.

Many were also delivered from demons. When I called upon the mighty Name of our Lord Jesus, demon-possessed in the crowd fell to the ground screaming and the devils came out of them. One night, a group of Muslim fanatics came to the crusade. When they saw the demons coming out they got frightened and left in a hurry.

She was deaf in one ear since she was a baby. Jesus healed her!

This blind man receives his sight!

**All Glory to our Lord Jesus, who alone is Worthy of Glory, honor and praise!**

Our children's crusade, held in the afternoons, also went very well with over 1000 children at every service. These crusades were well prepared by Janey and her team, going to schools and ministering to thousands of children during the 3 week pre-crusade training period.

The service on the last night was most amazing. A huge multitude heard the Word of God preached from 1 John 3:8 *"For this purpose the Son of God was manifested, that He might destroy the works of the devil."* The people came under great conviction and we saw the multitude turn to Jesus and receive Him as their Lord and Savior.

After this, the Fire of the Lord fell and countless thousands were Baptized with the Holy Ghost and with Fire. It was like a mighty shock-wave hit the gathered multitude. There was an explosive release of Divine Power. Everywhere we looked people were falling, weeping, shaking, shouting in other tongues as the Spirit gave them utterance; a true manifestation of Pentecost. Even the choir singing on the platform was hit powerfully by the Holy Ghost. Ushers quickly ran up the steps to keep our singers from falling off the platform! It was most amazing to see the way the Power of God moved upon the people.

Then the Lord healed a huge number of people. Blind and deaf people were healed, paralyzed limbs were made whole, and large tumors instantly disappeared from people's bodies. We ended the service by joyfully giving thanks and praise to our Wonderful Lord

Jesus, who alone is worthy of all Glory, Honor and Praise. There was much singing, shouting, and dancing that went on until late in the night.

What is privilege it is to serve Him! I often think of how far the Lord has brought me, from so far away out of the world of Islam, "We who were far have been brought near by the Blood of Jesus!" And not only that, but to have the priceless privilege of carrying this Glorious Gospel of Jesus all across the earth and to see Him sending down His Power and His Glory. Wonder of Wonders! What a privilege! Hallelujah to the Lamb who purchased us with His Blood!! Absolutely priceless!

For many years, she could only walk with great difficulty.

She could not walk, now she runs for Joy!

He was blind and deaf, and great difficulty - Jesus h

## ASIA

We stopped in Thailand on our way to Africa where Pastor William, our Director of Operations in Asia, came to see me. Our Training Center for Church Planters is going full-speed. Several of our students are from amongst those who accepted Jesus their Savior during our relief efforts in the Cyclone-affected areas in the coastal region where over 600,000 had been killed. One of our students had lost his wife and three children; He sensed the Call of God to leave everything and work full-time for the Gospel and to plant a church in an unreached region of his nation.

Back home, I often run into people upset at God for things so trivial compared to the loss that this man has suffered. Just imagine! He lost his wife and three children, and instead of being bitter at God he is moving on to lay down his own life to serve Him!

I feel very humbled and unworthy to lead such dedicated men and women. I am sure that when we all get to Heaven these unsung Heroes of the Cross will shine the brightest, far more than those who wanted to be known as great in this world. I am blessed and humbled to labor

alongside such true heroes of the Gospel, and they continue to challenge me and my own commitment to our Lord Jesus and to the Gospel that He has entrusted unto us.

## AFRICA FARM PROJECT

We have a new and exciting project that the Lord has entrusted us with. It is 1000 acres of prime farmland in Zimbabwe. Do note that this is NOT land that was seized by the government from white farmers, but rather it was acquired legally some 18 years ago. Since then it has laid undeveloped and unutilized.

We want to develop the farm and bring it under cultivation. Then we shall start an Orphanage there for AIDS orphans, as well as start a Training Center for Church-Planters. The goal is that the income from the farm shall provide both for the Orphanage

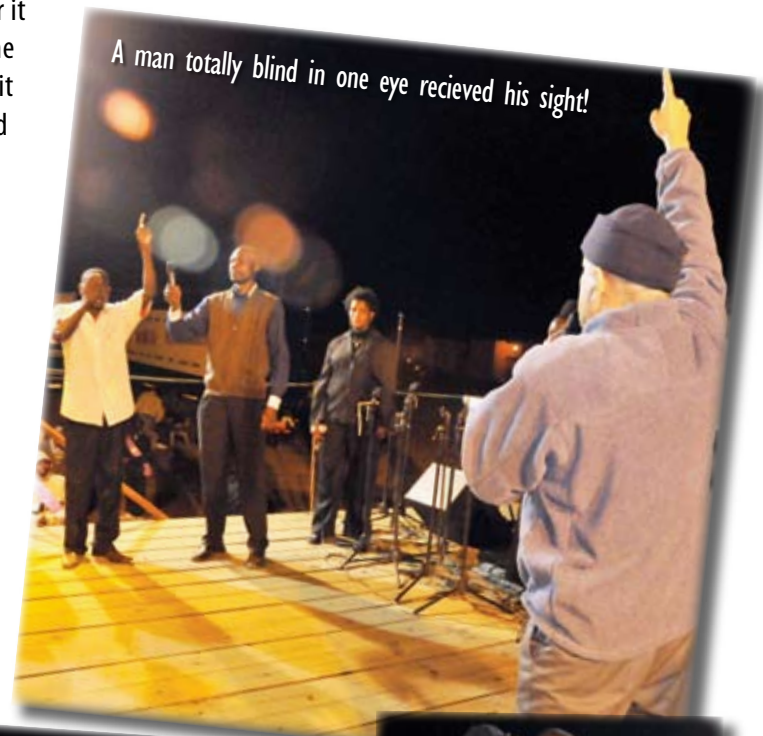

and the Training Center. We shall soon be sending out a letter to you with more details on this!

Thank you for your faith, your love, and your support that God uses to make all this possible!

In Christ Jesus,

Christopher and Britta Alam

Our youngest son Gabriel has ended his year of travel with me. We had a great year together. Time flies so fast, and I shall miss having him with me. Gabriel is starting his studies at the Tepper School of Business at Carnegie Mellon University in August. Please do remember him in prayer!
