The Holy Ghost Moves Upon Mpopoma!

Dear Friends,

In this newsletter, I shall report from our crusade held in the township of Mpopoma, located outside the city of Bulawayo, in Southern Zimbabwe.

The crusade was well prepared by our Africa Team, working together with the local churches in Mpopoma. Anticipation and excitement were at a high level, and it is in an atmosphere like this that the Lord can work, bringing salvation and miracles to the people. We do not compromise the Gospel. Neither do we think that the manifestations of the Gifts of the Holy Spirit are an "embarrassment". People are seeking Jesus, and to be touched by Him. We as His people must "deliver the goods"!

The crusade was held in an open field right in the middle of the township, and the Lord moved mightily in every single service. The Word of God went forth with power, and the Holy Spirit did His work in the hearts of sinners, bringing them under conviction. Thousands came to the Lord Jesus every night and we saw His Power manifested through signs, wonders, and miracles.

Every night, we saw many people line up to testify of all the wonderful things that the Lord had done for them. Another astounding thing was the large number of Pastors who came in from many places to witness the crusade.

Jesus Christ, the same, yesterday, today, and forever. Hebrews 13:8

The days went like a blur filled with the multitudes receiving Jesus, and the Lord doing so many miracles in our midst. Word of what the Lord was doing spread, and the crowd grew every night.

I remember clearly some of the outstanding miracles from the last two nights. We saw several crippled people get up and walk, blind eyes opened, and deaf ears begin to hear. Many were healed on the last night, of which the two most outstanding testimonies were those of a man who was paralyzed after a stroke. Immediately after the mass prayer for God's healing power to touch the sick he took off running, laughing, and rejoicing. Then a lady came up to testify who had a huge lump/tumor in her left breast. It

was so large that it had caused the breast to swell to twice its size. After prayer, it disappeared instantly and completely, and she could not feel it there anymore.

Towards the end, the Holy Ghost fell and many were baptized with the Holy Ghost and with Fire, speaking in other tongues as the Spirit gave them utterance. The crusade finally ended with much dancing, shouting, and rejoicing

A Spirit of Revival was prevalent over Mpopoma during the crusade. Jesus was being exalted by the people on streets of the town as they talked about the wonderful and mighty works of God that they had seen during the crusade.

We also held a four day School of Ministry for Pastors of our AWAKE churches. They came from Zimbabwe, South Africa, and Botswana. They went back to their churches filled with faith and excitement and with great anticipation of what the Lord is going to do in their churches.

Thank you for your love, prayers, and continued support of our ministry as we strive to preach the Gospel!

Ministry Updates

Africa Farm Project:

With the funds that have been available to us, we have been able to sow acres of corn (maize), soybeans, and potatoes. Let us trust the Lord to richly bless this endeavor!

I am excited over the prospect of bringing the entire farm under cultivation and then starting the Orphanage and Church-Planting School.

Asia:

I met with Pastor W, our Director of Operations, in Asia. Our Training Center for Church-Planters is going well. This month is their final month of training. They shall soon be sent out to plant churches in unreached areas of the nation.

It costs us \$1500 to plant a church and to sustain it for one year until they become self-supporting. We have planted 152 churches in Asia so far.

Crusade:

Our crusade season in Africa is ending as the rainy season starts. We now look forward to ministry in Asia, the Middle-East, and in South America. We are planning a School of Ministry for Pastors in Burma. Please prayerfully support and pray for this event. The cost will be approximately \$15,000.

Do you want to go to Africa?

We shall hold 2 crusades in the vicinity of the city of Chimoyo in Mozambique. The first crusade featuring a Children's Crusade shall be March 16-21, 2010 and the second crusade featuring a large School of Ministry will be March 24-28, 2010.

There will be opportunities for helping with different kinds of ministry: ministering to the sick, street witnessing, Children's Crusade, etc.
