The Power of the Gospel in Mzilikazi!

Dear Friends,

We are into 2010! It seems only recently that we entered into this new millennium, but it has been 10 years since then!

I remember the mass "Y2K" hysteria of the time. People were preaching about it, and many believed that this was the end of civilization as we know it. People bought generators, stocked up on K-Rations, bought arms and ammunition, and waited for the world to come tumbling down again.

Ten years have passed since then. We have continued preaching the Gospel and have seen millions of people come to Jesus. We have seen the Lord heal the lame, the blind, and the deaf, the dead have been raised up, and hundreds of thousands have been baptized with the Holy Ghost.

It seems to me that some people never wise up, never learn, and go from one piece of fallacy to the next. The other day, I heard that some are preaching that our President is actually the Anti-Christ and that Jesus is coming back in 2010.

The Bible tells us to stay away from such foolishness, to be sober and awake, and to preach the Gospel to the lost. Beloved, this is such a time. Above all, we need a burning vision and a passion to reach the lost with the Gospel of Jesus. With that comes the anointing to heal the sick and to cast out devils. These are the things that are necessary for us today! Then, we need to make not mere converts but disciples, true followers of Jesus who will

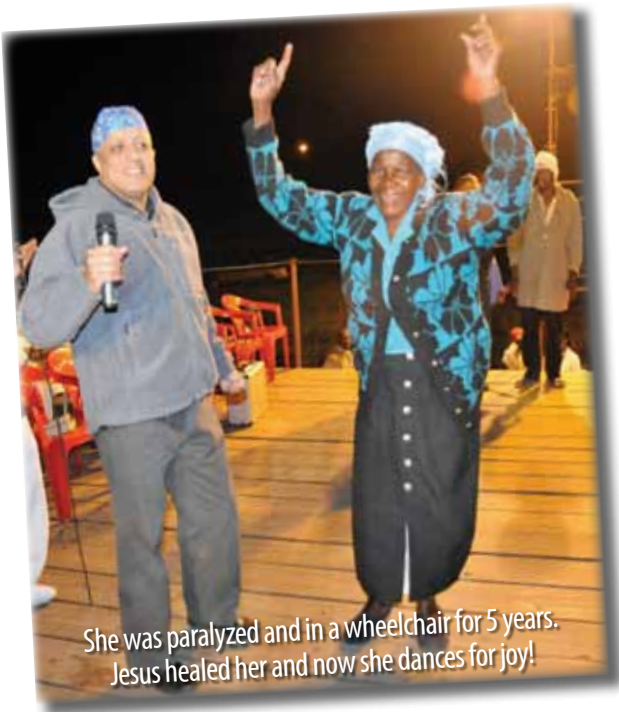

take His Word, love, and power to a lost and dying world.

This is what the Gospel is all about!

The Prophet Joel said, "Multitudes, multitudes in the valley of decision..."
Joel 3:14

People are searching for spiritual reality. False Religions, cults, psychics, and self-help gurus are out there to deceive them. The church should respond with more than just Oprah-style self-help preachers who rarely mention Jesus and are just out to "affirm" people. The church should rise up with Holy Ghost Power, with the uncompromising Word of God, and with the mighty Name of Jesus that breaks every chain. Back to our roots, back to the Bible, back to Pentecost is what we need!

To our friends and partners who love us, pray for us, and support us with your hard-earned finances, I can promise you that we shall continue to preach the Gospel with the Love of God and the unchained Power of the Holy Ghost. We shall win souls for Jesus and trust the Lord to confirm His Word with Signs, Wonders, and Miracles. We shall plant churches

and make disciples. I believe in prosperity for the Gospel, but we shall not use your sacrifices to live extravagantly; but using the Word of God we shall help the people rise out of sin, poverty, and disease.

Thank you for continuing to stand with us through your love, prayers, and support!

THE CRUSADE IN MZILIKAZI, ZIMBABWE

The crusade was actually held in the junction of Mzilikazi and Makokoba, two of the "worst" townships in the

Bulawayo Area when it comes to violent crime. This was a very important crusade because people there badly needed the Gospel. This was the first ever major Gospel Outreach in the area.

Huge multitudes came out to hear the Gospel and received our Lord Jesus as their Lord and Savior. In addition to this, we saw the Lord do many wonderful miracles in our midst. In the first two nights, we saw four crippled people get up and walk. One of these was a lady who had been bound in a wheelchair for 5 years. When the Power of God touched her, she stood up from her wheelchair and began to walk, and then she danced and rejoiced to the cheers of the crowd! Another man had become crippled from a

medication, which went all wrong, that he had been given for treatment of another disease. He had been crippled and unable to walk for two years. Jesus healed him, and he ran and danced all over the place.

We saw deaf people receive their hearing. Some with severely impaired eyesight received their sight. Others testified of other miracles that the Lord had done for them. One lady had her right arm paralyzed and useless for many years and the Lord healed her.

All this was just the beginning of the crusade!

The weather was extremely cold in the evening, but this did not stop the multitudes from coming out to hear the Gospel. We saw criminals try to disrupt

the crusade, but we warned and dealt very strongly with the troublemakers. One man came armed and attacked one of our workers, but our team subdued him very quickly, disarmed him, and handed him to the police. It turned out that this

man was part of an extremely violent gang and was wanted for many crimes! The police were most grateful.

In addition to the masses of people receiving Jesus, the miracles of God continued. Here are a few.

An 18 year old girl who was born deaf and mute was brought to the crusade. Jesus touched her; she began to hear and to speak, repeating what I spoke. The crowd erupted into cheers, shouting and praising God.

A young woman who had a stroke, was brought paralyzed in her left arm and

leg. Our Lord Jesus touched her and she was healed. Then there was a blind lady who received her sight. A young girl who was "almost" totally blind (she would be considered "legally blind" in the US) also received her sight.

Several others who were more or less crippled and could not move or walk without support and help ran and danced for joy. One young man was brought who was paralyzed in his right leg because of cancer. God healed him. He leaped, ran, and danced for joy! Deaf ears were opened. A lady testified that a large tumor in her hand had instantly and totally disappeared. There were many other

outstanding miracles that are too numerous to report here.

On the last night, people were baptized with the Holy Ghost. We ended the Mzilikazi Crusade with much praising and rejoicing!

All Glory to our Lord Jesus! What a Wonderful Savior we serve! Let us stay close to Him, Love Him, follow Him, and serve Him with all our hearts! Hallelujah!

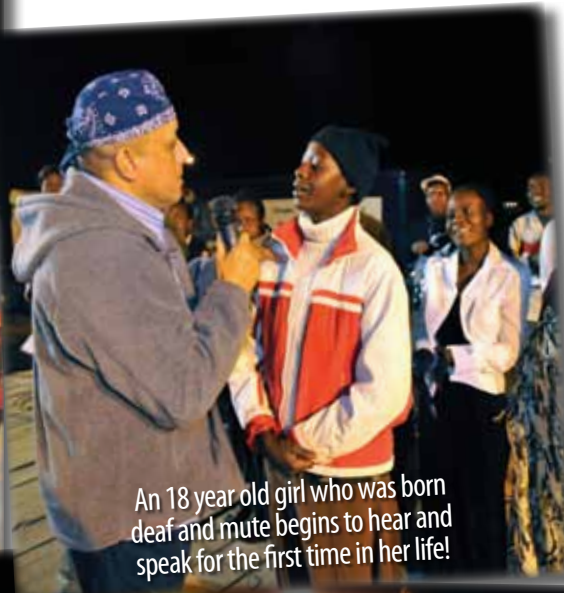

In Christ,
