Pentecostal Flames over Sette De Setembro, Moçambique!

Dear Friends,

Greetings in Jesus Name!

Sette de Setembro is a township not far from the city of Chimoio in Moçambique. It is a desperately poor, high crime area. My team and I looked around Sette de Setembro a couple of days before the crusade and stood on the field where the crusade was to be held. While there, I spoke to a Christian who lived in the area. He told

me that there was no law or order in the township, and that the police did nothing to catch or to deter criminals.

The people of Sette de Setembro, therefore, take the law in their own hands and met out their own brand of "justice" to criminals. If they catch a thief he is first beaten up, then with his hands tied behind his back a gasoline-filled car tire is hung around his neck and a match put to it. The people then stand and watch the hapless man burn to death!

He then pointed to a dark patch on the ground a few yards from the place where our platform was to be set up and said, "They burnt a man to death at that spot three days ago, and another a couple of days before that. Two this week... In fact, this field is the chosen place used for killing people in this way."

A shiver went through my spine as I heard this. The depths of savagery and brutality to which sinful

man can descend are, at times, beyond comprehension; but then, these are the kind of people to whom we are called to preach Christ.

Surely, this town needed the Gospel! Jesus Christ had shed His own Blood for these people and that is why we were there, to share the life-giving Gospel of Jesus with them.

Our team had worked very hard with the local churches in preparing this crusade, and the Crusade started with mighty demonstrations of the Presence and the Power of God. As the Gospel message went forth, one could sense the conviction settle upon the hearts of the people. The multitude responded to the altar call whole-heartedly and received the Lord Jesus as their Lord and Savior. After that, the Lord confirmed His Word with signs, wonders, and miracles.

Many deaf ears were opened that first night. A man bedridden and unable to walk had been brought to the crusade by his brother. Jesus touched him. He got up jumping, running and shouting

A little girl, who was deaf-mute from birth, was healed.

Jesus Christ, the same, yesterday, today, and forever. Hebrews 13:8

Go ye into all the world and pre

for joy. Another man who had severe back injuries after a car accident was healed and regained full movement. He too, was running and jumping. Many others came and testified of the wonderful miracles that our Lord Jesus had done for them.

God moved mightily upon Sette de Setembro, right in our midst night after night. The crowds swelled and grew every night. Multitudes come out to hear the Gospel preached, responding to the Gospel message by giving their lives to our Lord Jesus

The Lord poured out His Grace through signs, wonders, and miracles. We saw amazing and wonderful miracles. Blind eyes received their sight, paralyzed arms were healed, people with injuries suffered in traffic accidents were healed, many deaf ears were opened every night, and tumors and growths disappeared from people's bodies.

The most outstanding of the miracles that the Lord did was for a little girl who was paralyzed, unable to walk or to stand. The Lord Jesus reached out and touched her. The little girl stood up and began to walk. Her mother brought her up to the platform and we saw this little girl walk as the crowd cheered for joy!

We saw two people who were born mute and had never been able to utter a sound begin to speak for the first time ever. They articulated every word perfectly. There was also a deaf-mute who had neither heard nor spoken her entire life, who began to hear and to speak!

A man had been severely injured in a car accident. He came out of hospital a physical wreck, barely able to move or walk, a shadow of his former self. He was fired from his job because of his disabilities. He began to come to the crusade believing that the Lord would heal him. On the fourth night, he came and testified that God had healed him and that he had gone to his old workplace that morning and they had reinstated him!

Every night, we saw large numbers of people line up to give testimony of the wonderful things that the Lord had done for them.

Janey and Helen held a successful Children's Crusade with over 500 children in each meeting. We also held a very successful Pastors conference for the AWAKE pastors from all over Moçambique, as well as pastors from the local churches.

The last night crusade was marked by

the Presence and the Power of God. A huge multitude of people were there to hear the Gospel. At the end of the service, the Fire of the Lord fell, and thousands were Baptized with the Holy Ghost and with Fire, worshipping and praising God in other tongues.

After that, the large multitude raised their hands to indicate that they had been healed as Jesus touched them (this is just a rough estimate, the only accurate Book-keeping of such things is in Heaven) – large tumors disappeared, deaf ears and blind eyes were opened, and people with injuries and different diseases were healed.

This was a very good crusade and we have been able to reap a large harvest of souls. That is the important thing, the "bottom line" as one would put it.

We give our Wonderful Lord Jesus the Glory, Honor and Praise for all that He has done!
We are so humbled and thankful for His Presence in our midst.

His left arm and hand were paralyzed. Jesus healed him.

A young man speaks for t

Preach the gospel.

Thank you for your love, prayers, and financial support!

At this time, we need your help, support, and prayers. We have no intention of "cutting down" our efforts to reach the lost who need Jesus. Too many chains remain yet unbroken. There is just too much at stake; millions whose eternal destiny stands on the edge!

The Gospel message must go forth to the ends of the earth, even during these tumultuous and difficult times. Nothing can stop the Great Commission that we have received of our Lord Jesus, to "Go into all the world and Preach the gospel to every creature!"

It is time for Harvest! It is time for Revival!

As you read this, my team and I are in Zambia holding two crusades. I wear different hats preaching in large open-air crusades, planting churches, overseeing over 340 churches, and training up church-planters and pastors. Do uphold all of us in prayer that the Lord would keep us bold, strong, and full of Faith and Holy Ghost Fire!

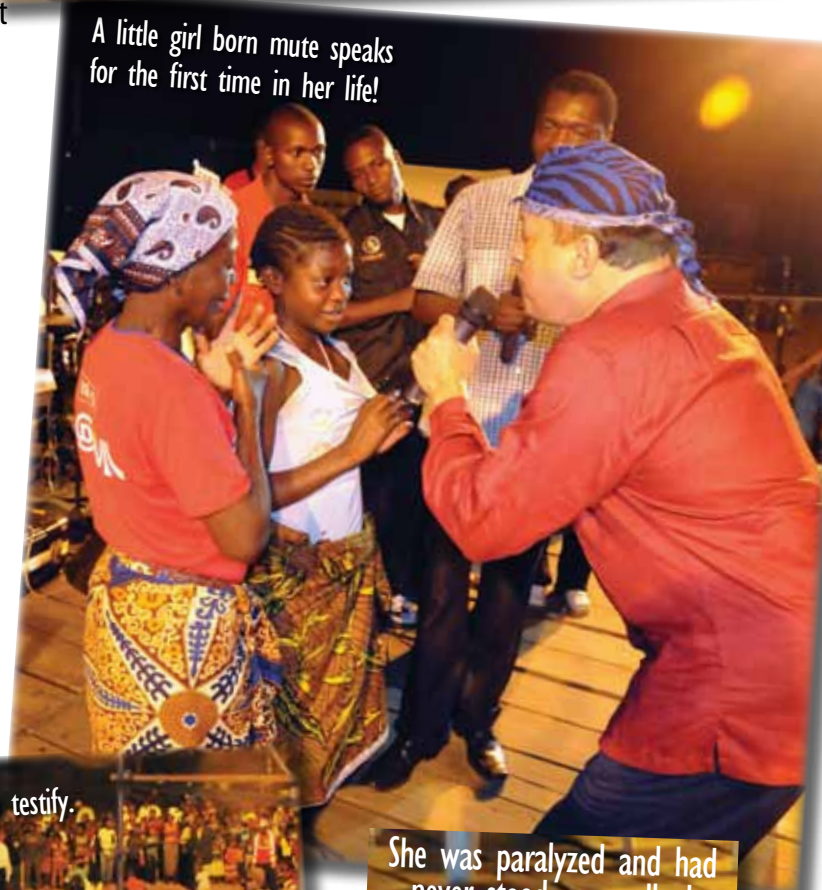

In Christ,

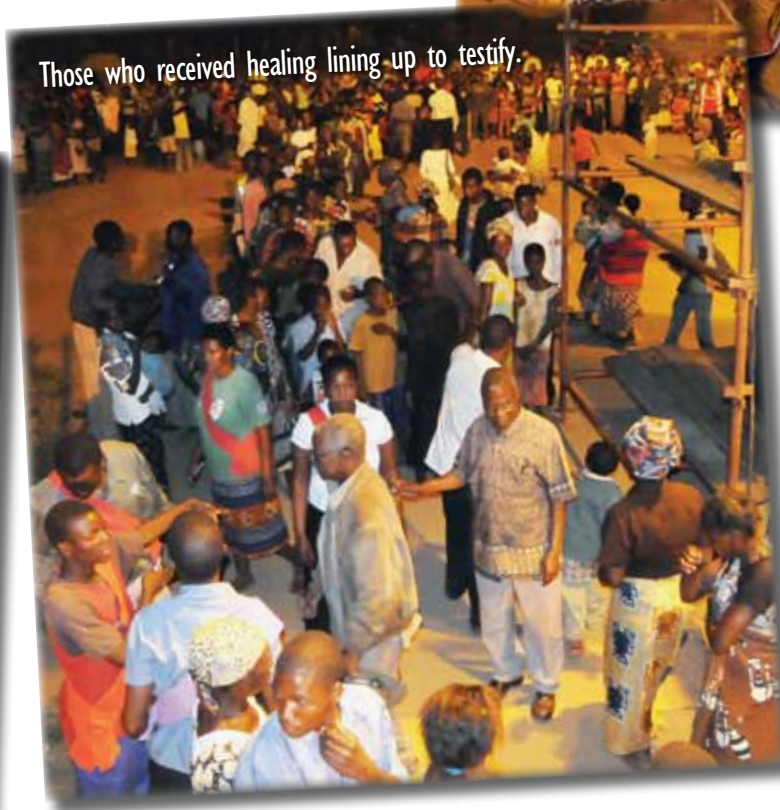

Christopher Alam

Our team setting up our crusade equipment.

A little girl born mute speaks for the first time in her life!

Those who received healing lining up to testify.

A born mute speaks for the first time.

She was paralyzed and had never stood nor walked before but Jesus healed her!

Christopher's Itinerary
