## PENTECOSTAL FLAMES IN ZAMBIA!

Dear Friends,

In this newsletter, I would like to share with you a report from our recent crusades in Zambia. These two crusades were held in the townships of Garden and George

outside Lusaka, the capital city of Zambia.

On my way to Zambia, I ministered for two consecutive Sundays at the Grace Assembly of God pastored by Dr. David Lim in Singapore. Dr. David Lim is a tremendous man of God, both very highly educated and also thoroughly Pentecostal and full of the Holy Ghost. He travels very often as a visiting professor at different theological seminaries, as well as, the Pastor a powerful congregation of 4000 people. I minister at his church a couple of times every year, and I count it a great privilege to be able to do so.

In addition to this, I also met with our team leader in Asia and ministered at a meeting at the International

Christian Assembly in Hong Kong. From there, I flew to Africa for our two crusades in Zambia.

Our Africa Team worked together with the local pastors in Garden and George, preparing these crusades and getting things ready. They were met with tremendous enthusiasm, both from the Pastors and their congregations in these towns, as they ran our three-week long Mobile Bible School training program for the local churches. The rainy season should have ended by the time our crusades started, but with the changing climate patterns that we have seen in recent years in Africa, the rainy season was extended by several weeks. We could not have foreseen this, as our crusades are planned almost a year in advance. It, therefore, rained every day during our two crusade weeks in Zambia.

GARDEN CRUSADE - She had great difficulties standing or moving. Now she runs.

*Jesus Christ, the same, yesterday, today, and forever. Hebrews 13:8*

The crusade in Garden was held first. It rained heavily every day and as a result large portions of the crusade field were flooded with several inches of water and the rest of the field was a literal sea of mud. Two of our crusade nights had to be cancelled because it rained round-the-clock, but we were still able to preach for four nights.

In spite of these adverse conditions, we saw thousands of people coming to Jesus every night during the four nights that we could preach, and the Lord graciously confirmed His word with many signs, wonders, and miracles. We do not have any crowd photos from this crusade because we usually take these on the last night, and it was the last two nights that were washed out by the rain.

After a two day break, we started our second crusade, which was held in George. We had been to George before, but it is a vast place and we had only touched one area. This time, we decided to hit the other end of town.

It did rain during the George crusade, but only during the daytime. The nights were clear and dry. In addition to this, the field in George was of a different kind of soil

that absorbed the water very easily. Thus, we had no mud or pools of stagnant water in the field.

Huge multitudes came out to hear the Gospel, and the crowds grew nightly. The people listened attentively as the Gospel message went forth. Great conviction came upon them and the multitudes turned their hearts to receive the Lord Jesus Christ as their Lord and Savior.

We must preach a simple yet powerful Gospel to sinners, a Gospel that proclaims all that Jesus is. It is the Story of the Birth, Sinless Life, Death, Burial, and Resurrection of the Lord Jesus Christ. The Gospel also tells who Jesus Christ is to us today – that He is still the Savior, Healer, and Deliverer of those who come to Him in Faith today. That is what we call the “Full Gospel.”

The Gospel Story is, in a sense, quite simple. Yet, at the same time, it is profound. The very Salvation of mankind lies within this Gospel. It is this simple Gospel Message, when preached, that the Holy Ghost works through and uses to bring conviction into the hearts of sinners; and it is this conviction that causes them to come to Jesus to receive the Gift of Salvation that He alone can give!

The Lord then confirmed the Gospel message every night with many Signs, Wonders, and Miracles. We saw lame people get up and walk, blind eyes open, deaf and deaf-mutes hear and speak, and demon-possessed people set free by the Power of the Name of the Lord Jesus Christ. There was great rejoicing as they came up to the platform and testified.

Going through the testimony sheets in which we record the accounts of those who were healed, I see the amazing works of Jesus. We have the names of NINE people who could not walk but got up and walked. In addition to these were a few who had strokes and were paralyzed in half their bodies. Then there were those who moved with great difficulty and were healed. There were also many every night whose deaf ears were opened, etc.

As I was going through these testimony sheets at home I remarked to Britta, “This is what our Lord Jesus can do!” In the first 21 years of my life as a Muslim, I did not see one single miracle through Mohammad. Only our Lord Jesus can do such things!

The last night of every crusade is also "Holy Ghost Night." On the last night of this crusade, the Spirit of the Lord fell upon us with great power and tens of thousands were Baptized with the Holy Ghost and with Fire. Pentecostal Flames came down and the multitude received the Holy Ghost, and their praises to God in other tongues ascended to Heaven like flames of Fire. It was a glorious sight to behold! The whole field was covered and filled with the Glory of God.

People were Saved, filled, and healed where they stood. Amongst these was a paralyzed lady who was unable to walk and used to get around in a hand-propelled pushcart. She got up from her cart and walked, and came to the platform and testified!

You can watch a short clip of the Baptism with the Holy Ghost and Fire on YouTube.

We have posted a link on our website that will take you to the video. Go to [www.pentecostalfire.com](http://www.pentecostalfire.com) and click on the YouTube link.

As you watch this, you will actually feel the power of God in your bones, right where you are!

When you read this newsletter, I am in Zimbabwe holding two crusades plus our Annual Conference for our AWAKE Churches. After this, I shall be ministering in Nice, France, followed by an indoor crusade in Athens, Greece.

Do remember to join your Faith with us and uphold us in prayer!

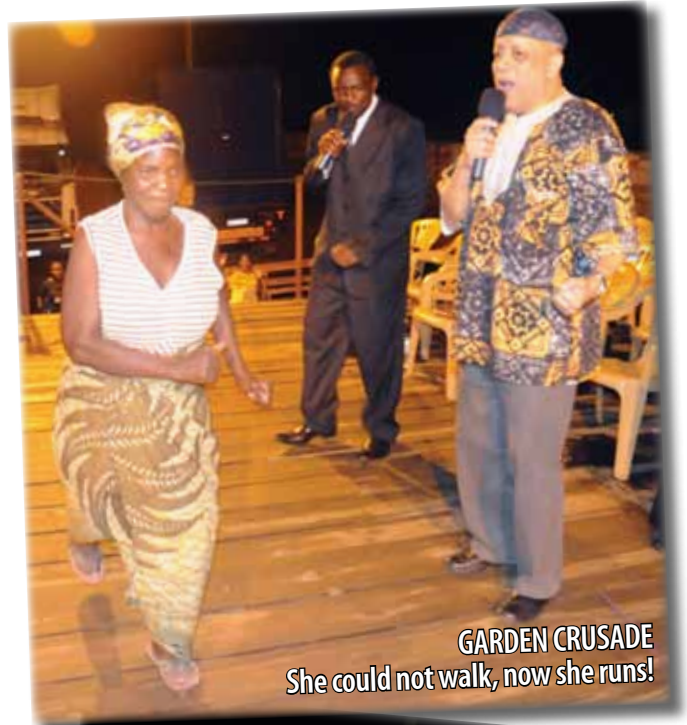

Thank you for your faithful and generous financial

support that enables us to take the Gospel to those who need Jesus so much!

In Christ Jesus,

Christopher and Britta Alam
