Fire From Heaven Over Chipata, Zambia!

"And as ye go, preach, saying, The kingdom of heaven is at hand. Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give." Matthew 10:7-8

We just finished two Gospel crusades in Africa, held in the townships of Chungu and Chipata, located outside the capital city of Lusaka, Zambia.

On my way out to Africa, I stopped and preached two services in Beijing, China. This was my second time visiting that congregation. God really moved in these meetings and we saw a number of people Saved and Healed.

From China, I flew via Thailand to Africa.

CHUNGU CRUSADE

Chungu is the oldest township outside Lusaka. Chungu, in its entire history, had never been touched by a Gospel crusade. We found it to be a place with an extremely high crime rate and with some very violent people living there.

The Chungu crusade was without doubt the toughest one that we have had this year. There was great tension in town as there had been much politically-motivated violence there with national elections coming up in little over a week.

The uncompromised Gospel of Jesus went forth with power, and we saw thousands of people come to Jesus in every service. The Lord confirmed His Word with Signs, Wonders, and Miracles. The Lord did show His Power in a mighty way, but preaching in Chungu was like fighting a big spiritual battle every night. Many hardened

people came to each service with the sole intent to mock, blaspheme, and to stir up trouble. There were groups and pockets in the crowd fighting violently and running around while I preached and ministered to the people. This went on in every service.

One night, in the middle of the service, some people came driving a car at high speed straight into the crowd. They went speeding around through the crowd as if they were trying to run over as many people as they could. It was total chaos with people jumping out of the way to save themselves.

Finally some people managed to stop the car; they pulled the occupants out and began to beat them without mercy, screaming "Burn the car! Burn the car!" The Police had to intervene and rescue the occupants of the car from being lynched; then the police themselves proceeded to beat the living daylights out of them and finally took them to the police station.

In the face of things like this, we cannot afford to be discouraged or to back down. We have a commandment and a mandate from our Lord Jesus Himself to "Preach the Gospel to every creature," and that

Jesus Christ, the same, yesterday, today, and forever. Hebrews 13:8

includes preaching to bad people in bad places! We have to set our faces like flint and preach the Crucified and the Risen Christ to the people no matter what, because the Gospel of Jesus is their only Hope of Deliverance from the clutches of the devil. It was a rough week, but Praise God we came out of it in

Victory, with a good harvest of souls for Jesus out of Chungu!! The Lion of Judah has overcome!

CHIPATA CRUSADE

I asked my team-member Missionary Sarah Weaver (from Pastor John Nuzzo's Victory Family Church in Cranberry Twp, PA) to preach our first night in Chipata. She did a great job! Thousands received the Lord Jesus at the altar call. After Sarah preached, I prayed for the sick, and the Lord healed many people. A child born deaf-mute heard and spoke. Two children born totally deaf received perfect hearing, along with several others deaf in one ear. A blind woman received her sight and demon possessed people were set free. All this on our first night in Chipata Township! It was a good start to our Gospel crusade. Our Lord

Jesus was greatly glorified!

The rest of the week, great multitudes came out to hear the Gospel and the crowds grew night after night. Every single night, huge multitudes received the Lord Jesus as their Lord and Savior. We also saw violent armed criminals come into the crowd, attacking people and beating them with steel chains and such, but the Police were there and arrested them. We had to pray for our safety, and also for the safety of our equipment, our workers, and the people. The amazing thing was that the flow of the Power of God was of such dimensions, and the people were so hungry for the Gospel that the works of the devil were just "swallowed up" by the Greatness of the Presence and Power of our Lord!

Praise God for the Blood of Jesus that has prevailed over all the works of the devil!

We also held a School of Ministry during the mornings and afternoons for Pastors from Zambia and Zimbabwe. Pastor Chuck Lawrence from Huntington, WV came and joined us for this. God used him mightily, and his teaching was much appreciated!

The Lord also poured out great Grace during the crusade and confirmed His Word with Signs, Wonders, and Miracles.

The miracle that really touched my heart the most was what the Lord did for a man who came with his two daughters 12 and 6 years old. Both were born totally deaf and

mute. I cannot even imagine the burden that a father has to carry with two children born that way. But o' the wondrous Mercies of our Blessed Lord Jesus! He touched both the girls and healed them. Both of them began to hear and to speak, repeating words after me. What a wonderful Lord we worship and serve! I felt like if we spent all the time and money and came all the way out to Africa just for those two precious little girls, it would be worth it all! *All Glory to our Lord Jesus!*

We saw many other miracles: A lady, totally skeletal and emaciated carried in on a wheelbarrow, unable to stand, walk, or speak. Jesus touched her and she stood up and began to walk. . . . and the crowd cheered! Another lady, unable to stand on her feet unless people raised her up and propped her up. . . . She was running, dancing, the crowd shouting praises to God! A totally blind lady who could now see, many deaf ears opened, a long line of people testifying of healing from different kinds of diseases and infirmities.

A sea of humanity covered the field on the last night. I preached from Zachariah 13:1 about the Blood of Jesus. As we know, God ALWAYS answers the preaching of the Cross and the Blood with FIRE! At the altar call for Salvation, a huge multitude received the Lord Jesus, and then the Fire of the Lord fell. Thousands of hungry souls were Baptized with the Holy Ghost and with Fire. The Holy Ghost swept over the place in tidal waves of Glory. The people were praying

in other tongues, shouting, weeping, and falling to the ground. It was Pentecost! Then I prayed for the sick; thousands of people raised their hands to testify that the Lord had healed them. *What a Glorious Savior we serve! Jesus! Jesus! Jesus!*

We ended the crusade with the crowd dancing like they had gone crazy and praising God with all their hearts!!!

We are thankful to the Lord for the great Harvest of Souls that we have been able to harvest for His Kingdom in Chipata. Thank you also all our friends and partners who have stood with us. A big Thank you to the churches that support us and have sponsored this crusade! The seed that you have sown has borne good fruit for the Glory of God!

This crusade has shaken the Township of Chipata. A huge harvest of souls, multitudes of miracles, deaf ears hearing, deaf-mutes hearing and speaking, the blind receiving their sight, the lame walking and the demon-possessed set free. We give all Glory, Honor, and Praise to our

Lord Jesus, who Alone is Worthy.

"And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come."
Matthew 24:14
