2011 Year-end Victory Report Vision and Needs for 2012

“So then after the Lord had spoken unto them, he was received up into heaven, and sat on the right hand of God. And they went forth, and preached everywhere, the Lord working with them, and confirming the word with signs following. Amen.” Mark 16:19-20

2011 has been a blessed, fruitful, and exciting year for us. As I look back at this year, all I can do is to thank the Lord for His Goodness, Mercy, for the mighty demonstrations of His Power, and for the countless multitudes of souls that we have seen come to the Saving Knowledge of our Lord Jesus Christ.

Our Lord has truly been Magnified and Glorified, and we are thankful for the priceless privilege of preaching the Glorious Gospel of Jesus Christ to the nations.

Africa

We held 10 Gospel crusades in Africa, seeing countless multitudes of souls receive the Lord Jesus Christ at our altar calls for salvation. When it comes to missions, THAT is the “bottom line”, that sinners must be saved; and the more the better, because Jesus gave His Life for ALL!

Entire towns and communities were shaken by the Power of God. With our effective pre-crusade training and post-crusade follow-up programs for churches, we saw revival break out after our crusades; local churches grew and multiplied.

We also saw tens of thousands receive the Baptism with the Holy Ghost and with Fire at in these crusades. Great multitudes were healed from different kinds of diseases and infirmities, including the lame, the blind, and the deaf and deaf-mutes all healed by the Power of God.

We also held conferences for the Pastors and Leaders of our AWAKE Churches and churches of other denominations who worked with us, in Mocambique, Zambia, and in Zimbabwe. Since I took over as leader of AWAKE Churches, we have grown with 90 new churches, now up to 250 churches. We have also expanded into Zambia and Malawi.

In addition to this, we just held graduation exercises for the first batch of students from our Church Planting Bible School in Zimbabwe. In addition to this, the children at our Orphanage in Zimbabwe are also being well taken care of.

Asia

We have planted 178 churches in Burma so far. We are changing our work in Burma so that we will no longer carry on with it in its present form. We are refreshing our vision, and are “redoing” the whole concept, and shall do it like when we first started there.

In addition to this, we are going to launch into Vietnam and Laos also. The Lord has opened some exciting new doors for us there.

Worldwide

I have also ministered in several large conferences and churches across Africa, North America, Europe and Asia.

For all this we give all glory and honor to our wonderful Lord Jesus, for He alone is worthy!

2012 Vision: We have planned 10 large crusades in Africa, in addition to our new push for the Gospel in Asia, and also ministry in other parts of the world. We shall continue to develop our 1000-acre Farm and Orphanage Project in Zimbabwe. We are also going to expand our new Church Planting Bible School in Africa.

Ways you can help...

Thank you for standing with us. We continually covet your prayers. Please consider supporting us generously with your finances as we continue to reach the lost. Here are a few ways you can make a contribution.

1. Make a generous year-end contribution to Dynamis World Ministries.

2. Become an ongoing partner with DWM. Make regular donations monthly or as the Lord would lead you. We truly appreciate your faithful monthly support!

3. Your family, business, community, or church could sponsor a crusade. Sponsor a single crusade for \$25,000. Depending upon the size of the community being reached, we see anywhere up to 100,000 - 150,000 people receive Jesus at a single crusade. Or for \$35,000 you could sponsor two back-to-back crusades in two separate cities.

OTHER NEEDS: *We have additional needs that have not changed much in recent years. Our main focus is our Gospel crusades and that is our priority. However, these are items that will need to be taken care of in the near future. Please prayerfully consider helping in one of these more practical areas.*

1. A new pick-up truck for Africa. Cost \$30,000. We have well over half the funds, but we still need just under \$8,000 more to buy the truck!

2. We still are in need of two new crusade prayer tents for our intercessors at \$2000 each.

3. Additional speakers and amplifiers for our PA system in Africa for \$ 20,000

We are reaching people who are so utterly lost and without hope. Only Jesus Christ can set them free through His Gospel. We have given our lives, and are asking you to give of your finances to help us to get the job done!

Time is short and the harvest fields are vast. The challenge is great, but standing together you and we can make a difference! We have preached in war zones, in Muslim lands, in perilous places, and we are seeing the fruit – multitudes are coming to Jesus Christ to receive Eternal Life. These are tough times, but if we never give up and continue

to preach the Gospel no matter what the cost, we shall always win!

Thank you for putting your life and resources behind spreading the Gospel. And thank you for standing alongside us.

May the Lord bless you this Christmas and New Year! May He fill your hearts with great vision, faith, and expectations for the coming year!

Remembering 2011...

Thank You Elaine!

We want to express our thanks and appreciation to our secretary Elaine Davis, who recently left us to be able to spend more time with her small children. Elaine served with us for 4 years and was a great blessing in every way. She took good care of our office, and over the years we developed a warm friendship.

Dear Elaine, you will be missed but we rejoice over the opportunity you have to be a MOM which we know is very much on your heart.

We wish you and your family God's Blessings,
Christopher & Britta
