Live it, Breathe it... Pentecostal Fire!

Join us in Africa and experience God's Pentecostal Fire as He radically changes lives. You don't need to travel to Africa to see God's power changing lives, but we invite you to join us and experience God's power in a way that you may have never experienced it before... Join us at a Gospel crusade.

ABOUT OUR CRUSADES

We typically hold 10 Gospel crusades each year. They are held in March, May, July, September and October. In most cases, we hold double crusades where two crusades are run back to back. The first crusade begins Tuesday and ends Sunday. With only two short days to transition to the next location, the final crusade begins Wednesday and ends Sunday of the second week.

We encourage the local churches to participate with us in the crusade. Once they have decided to join us for the crusade, each church, both leadership and members of the congregation, are expected to participate in the Mobile Bible School.

While there are a lot of preparations that take place prior to arriving on site, the official start begins 3 weeks prior to the beginning of the crusade. It is at that time that we launch our Mobile Bible School.

The Mobile Bible School is a training program, organized and taught by our Africa Team, designed to empower the local churches that are participating in the crusade. We teach a variety of subjects that range from faith and

We are witness to thousands responding to receive Salvation as they accept Jesus Christ as their Lord and Saviour. And, we continually see God confirm His Word with signs, wonders, and miracles. God's power changes peoples lives. The lame walk. The blind see. The deaf and mute, hear and speak. The oppressed are delivered. Finally, each crusade culminates with the opportunity for people to be baptized with the Holy Ghost and with Fire. And through it all, God is glorified!

healthy marriages to how to disciple new converts. We want to strengthen them as well as prepare them for the new believers that result from each Gospel crusade.

In addition to our crusades, several times a year we have a School of Ministry that is held in conjunction with a crusade. During these daytime training sessions we equip and instruct hundreds of leaders and pastors.

Another event that coincides with our crusades is Children's Crusades. These crusades are held in the afternoon and thousands of children attend. Our team delivers the message of Jesus Christ to the children that attend in a way that is relevant to young lives – through skits, songs, puppets, etc. . . As a result, we see many give their lives to Jesus!

Go into all the world and preach the Gospel...

Join us in Africa... It will change your life!

FOCUS: BIBLE SCHOOL - AFRICA

BIBLE SCHOOL - AFRICA: We launched our Church Planting Bible School last January. The school is situated on our farm in Kadoma, Zimbabwe. As this new school was being established it began with a small number of students. Today, thanks to the generosity of a few partners, we have been given funds to build a building specifically for the Bible School, and construction has recently begun on this project.

We are excited about what God will do through this Bible School endeavour as we train and prepare Believers to reach their nation with the Gospel of Jesus Christ!
